RE: Parts and Tire Bid Award

In RFP 20210610-01, Parts for Sumner County Sheriff's Office, the only bidder was O'Reilly Auto Parts. Being the only bidder, they are awarded the parts bid for the Sheriff's Office with the exception of Oil and Batteries.

The oil pricing presented was double the current price being paid and was found to be excessive. I have come across an alternative method for obtaining oil that is not only more cost effective but also cuts down on waste for the Sheriff's office providing an added bonus. For this reason, we reject the oil portion of the bid and going straight to market to purchase it.

The Battery price was an average of \$15.34 higher than my current price for the same unit. Upon further evaluation it has been determined that I do not spend over bid limit requirements per fiscal year on this item and since the bid came in much higher than what I know you can get it for at market, we reject the battery portion of the bid and going straight to market to purchase it.

Respectfully;
