**Kleerview-View Glass Cleaner -\$36.00 per gallon ... in 15 Gallon Drum \$540.00**  
 Dilution is 40- 1 ( 40 ounces of water to one ounce of glass cleaner- Kleerview )  
 Your cost to use 90 cents a gallon to use with our dispensers ....  
 35 gallon drum. \$34.00 @ gallon \$1.190.00  
 55 gallon drum- \$32.00 @ gallon \$1,760.00

**Quat 256 Germicidal Disinfectant Cleaner**  
 Price : 55 Gallon Drum -\$56.00 per Gallon X 55= \$3,080.00 ...1/2 ounce per gallon or one ounce per Two Gallon  
 Cost to use 21 cents per gallon ..... 21 cents per gallon .....  
 One 55 gallon of Quat 256 will make-----14,080 gallons of disinfectant to use in jail or the  
 equivalent of 256 drums of disinfectant ....or \$12.03 per drum cost

**Regarding the laundry detergent and Oxy cleaner (additive):**  
 The cost per use for Lebanon Chemical is, according to their math, \$.42 per use, the cost per use of the product supplied by Romaine Company is \$.43 per use. This penny per load cannot offset my local cost associated with storage of the 55 Gallon Drums. The drums supplied by Romaine are hyper-concentrated and take up to 300% less space in an already crowded Laundry Facility. Storage is a premium in most government facilities and in corrections the amount of supplies required to see to the daily needs of the inmates is remarkable. Given the space added, as well as Romaine's reputation for regular maintenance visits, I would like to select Romaine for the Laundry supplies (detergent and Oxy).  
 We do not use chlorine bleach.
