To whom it may concern,

This is a typed copy of my complaint submitted to the County Law Director.

On April 17th 2023 at the official county commission meeting during the nomination of the 8 candidates for the board of construction appeals Mr. J. Wes Wynn called in question the 8 candidates on the list submitted by the committee on committee by Commissioner Jeremy Mansfield. He stated that he was not in favor of the candidates as one of them had a criminal background with tax and financial issues. He would not name that individual but eluded that the commissioners could do their own research. By not stating who the individual was Mr. Wynn placed all of the nominees under suspicion, attacked their character and slandered them. Mr Wynn in his defamatory remarks towards all candidates' eluding to nefarious behaviors. One of those candidates was my spouse. This behavior and remarks has potentially damaged my spouse credibility, my credibility as his wife and commissioner, and my family. He has accused my family of criminal behaviors. Mr. Wynn has defamed myself and my spouse. He accused all of them of criminal misconduct and brought doubt to serve on this committee. Mr Wynn in his statements can be viewed on the official county video.

Thank you
