CONFLICT OF INTEREST COMPLAINT

Instructions: This form is for reporting ALLEGATIONS OF VIOLATIONS OF THE Code of Ethics of this county. Please set forth the facts relating to the complaint.

- 1. Date of event: April 17, 2023
- 2. Name of official or employee: Chrissy Miller
- 3. Office and position: Commissioner, Ethics Committee Member, Committee on Committees Member
- 4. Description of personal interest (describe below in detail):

On April 17, 2023, the Sumner County Board of County Commissioners voted to approve the appointees recommended by the Committee on Committees (CoC) for the Board of Construction Appeals. Mr. Roger Smith was approved to be on the Board of Construction Appeals. Chrissy Miller's father's name is Roger Smith, and this complaint alleges that Commissioner Miller's father was approved to serve the Board of Construction Appeals in a vote that Chrissy Miller voted yes and did not disclose her relationship with Roger Smith in the vote that occurred in the CoC's February meeting, the County Commission meeting on February 27, 2023, when the vote was first taken and did not pass, and the County Commission meeting on April 17, 2023, when the vote was taken and did pass, but only by one vote - Chrissy Miller's vote.

Chrissy Miller's failure to properly disclose to the public and the other commissioners and her vote violate Section 2 of the Ethics & Code of Conduct Policy, as well as T.C.A. Sections 5-5-102, 12-4-101, and 39-16-402.

I demand that Chrissy Miller be recused from any input into this complaint other than as an accused, and I demand that a hearing promptly occur.
