

Schedule your clinic appointment the easy way!

TEXT 855-571-4500

TEXT TO SCHEDULE

We understand that booking appointments should be hassle-free. That's why we've made it as simple as sending a text message.

Text 855-571-4500 to schedule your appointment. It's quick, it's easy, and it's just a text away. Whether you need a routine check-up, medication refill, or any other medical service, we've got you covered. Just send us a text, and let us take care of the rest.

PREFER BOOKING ONLINE? NO PROBLEM

If you prefer to book online, please visit the [Sumner Health website](#) and schedule your appointment using your patient portal.

Remember, texting is always an option. If you have trouble or are unable to find the appointment time you need, send us a text!

We're committed to providing you with high-quality medical care in a way that suits your busy schedule. Don't hesitate to reach out via text, book online, or give us a call. Your health is our priority!
