To Whom It May Concern,

Sumner County Government will close the Hendersonville Clinic on Monday, July 8, for the health and safety of patients and staff. This decision comes due to the failure to secure a replacement HVAC unit, necessary to combat the excessive heat. While temporary mobile air conditioning units were considered, the extreme expenditure makes this plan unfeasible. We will assist in notifying the public of the closure. As a result, we hope this will allow for us to expedite the demolition and rebuild of the new facility in Hendersonville.

We apologize for any inconvenience and appreciate your understanding and cooperation.

Sincerely,

John Isbell
