10 February 2026

KXNX
Music City Executive Airport
1475 Airport Road,
Gallatin, TN 37066

DEAR Board of Directors,

I am writing to express my interest in serving on the Music City Executive Airport Board. With a strong commitment to community development and a deep appreciation for the vital role our airport plays in regional growth, I believe my skills and experience align well with the board's mission.

I'm a Nashville native; I attended High School in Nashville and graduated from Belmont University. I've watched Nashville grow and change over the years, and as Sumner County experiences similar growth, I believe it's important to be thoughtful and strategic. As a board member, I'm committed to serving our community responsibly.

For the past 8 years I have served as CFO at Athena Engineering & Environmental, LLC, located in Goodlettsville, TN. I am happily married to my wonderful wife Julie, and we are blessed with three amazing sons: Jack (22), Shay Michael (18) and Owen (15). We live on Old Hickory Lake in Gallatin.

I hold a Master of Business Administration, with an emphasis in Strategic Leadership from University of Tennessee, Knoxville 2014. My work experience includes, Deputy Chief Procurement Officer for the State of Tennessee (2012-2015), Director of Purchasing at POOLCORP (1999 – 2011) and Probation and Parole Office, State of Louisiana (1996 – 1998) Further, as a young man I earned my Eagle Scout and have served the Boy Scouts of America as an adult leader for over 15 years, and I am currently the Scoutmaster for Troop 413 in Hendersonville, TN.

My career and public service have equipped me with the ability to evaluate complex issues, collaborate with diverse stakeholders, and make informed decisions that balance operational efficiency with community needs.

As a Pilot, with my own aircraft based at KXNX, I am particularly passionate about the future of our airport, the airport's impact on economic development, and enhancing safety protocols. Through my involvement, I aim to promote education, inspire future aviation professionals, and support the continued growth of Gallatin and greater Sumner County.

I would be honored to contribute my expertise, time, and energy toward advancing the airport's strategic goals and ensuring it continues to serve as an asset to our community.

Thank you for considering my application. I welcome the opportunity to discuss how I can support the board's work and vision.

Sincerely,

C. Shay Oliphant
