Latimer (Brown) House – Project Status Report

January 16, 2026

Grant Accountant Dustin Owens provided a preliminary estimated timeline for the project. At that time, the assumptions were:

- Initial meeting with architect: Mid February
- Plan development with architect, including drafting the RFP: 4 to 8 weeks (projected completion March to April)
- RFP process: Approximately 4 weeks (projected completion in May)
- Contractor contract execution: 1 to 2 weeks
- Construction start: July
- Estimated construction duration: 6 months
- Estimated completion: December 2026

This was communicated as a working estimate, subject to change as the project progresses.

February 3, 2026

A follow up request was made to schedule a meeting with the architect to review the plans and budget approved by General Operations in June 2025.

It was advised that once the resolutions were signed, Finance would transfer the architect fees and the contract would be prepared for execution. At that time, a joint meeting with General Operations and the Ad Hoc Committee was anticipated for the third week of February.

February 19, 2026

A follow up inquiry was made regarding the timeline. An initial meeting with the architect was held that afternoon. It was communicated that depending on materials needed before committee review, a meeting with the committees would likely be scheduled the following week.

February 26, 2026

Another follow up inquiry was made for a status update. It was confirmed that the architect requested and completed an additional walkthrough of the property. The architect is currently reviewing all provided materials and preparing for a meeting with the committees. A scheduling thread will be created once readiness is confirmed.

Current Status (End of February 2026)

- Architect walkthrough completed
- Architect reviewing documents and preparing committee presentation
- Joint meeting with General Operations and Ad Hoc Committee to be scheduled upon architect confirmation

Jeremy Mansfield, Chairman
Latimer (Brown) House Restoration Ad-Hoc Committee

Defined scope of the project – Established William and Martha Brown Memorial Park with the house as its centerpiece.

Defined use of the park – Aligned to the approved Sumner County Master Parks plan - Provide access to historic, cultural and natural areas through a safe, well-planned and managed park that preserve, protect and exemplify the unique outdoor experiences and educational opportunities available to all citizens and visitors of Sumner County.

Define the use of the house - Preserved structure that compliments the park for occasional museum type use, similar to the Bridal House, to display artifacts, objects, publications, photographs, and other materials related to the history of the house and surrounding community in Sumner County under the following operating model:

Opens for free tours during limited public hours (commonly 10–3), with special open houses (e.g., Christmas open house with period interpretation) and support from a "Friends of" group.

Approved Uses (Allowed)

A. Occasional Public Tours (Primary Use)

- Schedule: weekends only; limited dates (recommended 6–12 public days/year).
- Format: guided tours only (no unsupervised entry); timed entry; small groups.
- Admission: free or suggested donation (Bridal House-style accessibility).

B. Mission-Aligned Heritage Programming (Secondary Use)

Examples (low-impact, mostly outdoors):

- "Frontier life" interpretation days (craft, tools, storytelling)
- Veteran/military heritage interpretation tied to the original owner's service
- Educational learning days (pre-scheduled; outdoor-first due to capacity and safety)

C. Rotating Micro-Exhibits (As Available)

Simple, secured displays using reproductions and/or loaned items in cases

Prohibited Uses (Not Allowed)

- In door weddings
- Private parties/receptions
- Activities requiring décor installation on historic surfaces, open flames/candles, cooking inside, or amplified entertainment.
- Any use that increases risk to the structure (vibration, crowding, moisture, smoke, food/drink inside).

We assigned you an employer identification number (EIN)

Your EIN is [redacted]. The name control associated with this EIN is [redacted]

What you need to do

- If you did **not** apply for this EIN, visit IRS.gov/EINNotRequested.
- Use this EIN and your name exactly as they appear above when you fill out your tax returns. Otherwise, it may cause delays. Keep a copy of this notice for your records because we'll only send it to you once. You can share a copy with future officers of your organization or anyone asking for proof of your EIN. If your name or address is incorrect as shown, send the correct information to the address at the top of this notice.

What you need to know

When you applied for an EIN, you said your organization is a non-profit. Getting an EIN doesn't mean you're automatically tax-exempt. You must apply specifically for tax-exempt status. You can find more information about the application process in Publication 557, Tax-Exempt Status for Your Organization.

To apply for recognition of tax-exempt status, organizations must complete an application on one of the following forms:

- Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code;
- Form 1023-EZ, Streamlined Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code;
- Form 1024, Application for Recognition Under Section 501(a); or
- Form 1024-A, Application for Recognition of Exemption Under Section 501(c)(4) of the Internal Revenue Code.

Most organizations claiming tax-exempt status must file a Form 990 series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

If you become tax-exempt, you'll lose that status if you don't file a required return or notice for three years in a row. There are some exceptions, but generally, you need to file every year. We start counting those three years from the date we gave you your EIN. If the first tax year isn't a full twelve months, you still need to file a return for that year. If your organization didn't legally form in the same tax year you received your EIN, contact us.

For the most current information on your filing requirements and other important information, visit IRS.gov/Charities.

Additional Information

- Refer to Publication 4557, Safeguarding Taxpayer Data: A Guide for Your Business, for tips on keeping your EIN safe.

- Find tax forms or publications by visiting IRS.gov/Forms or by calling 800-TAX-FORM (800-829-3676).
- Call us at 800-829-4933 if you can't find what you need online. If you prefer, you can write to the address at the top of this notice.
