*** Persons wishing to speak on agenda items or any other item relevant to the committee shall sign up for public comment on the sheet provided at the meeting immediately prior to the commencement of the meeting.*

MINUTES
HEALTH & EMERGENCY SERVICES COMMITTEE
CHAIRMAN, DARRELL ROGERS
JULY 6, 2026

Present:
Darrell Rogers, Chairman
Ben Harris
David Klein
Don Schmit
Danny Sullivan
Absent:
Terry Wright, Vice-Chairman
Merrol Hyde

Also Present:
Eric Sitler, Law Director
Jennifer Mitchell, minute taker

Chairman Rogers called the regular meeting of the Health and Emergency Services Committee to order with an invocation by Comm. Sullivan on Monday, July 6, 2026, at 5:00 p.m. in the Sumner County Administration Building. A quorum was present.

3. Approval of Agenda.

Without objection, Chairman Rogers added a resolution from the Volunteer Fire Department ad hoc to waive motor vehicle privilege tax for volunteer firefighters as item 14d.

Comm. Harris moved, seconded by Comm. Klein, to approve the agenda as amended. The motion carried unanimously.

4. Approval of the Minutes of May 4, 2026.

Comm. Schmit moved, seconded by Comm. Sullivan, to approve the minutes from May 4, 2026. The motion carried unanimously.

5. Recognition of the Public.

Richard Primrose, 432 Triple Crown Circle, Gallatin, addressed the committee regarding a petition containing nearly 700 signatures requesting greater transparency from the Sheriff's Office concerning the 287(g) agreement. Mr. Primrose expressed frustration that the petition had not been formally addressed and urged the committee to place the matter on a future agenda for discussion.

6. Report of the Chairman.

No report.

7. Report of the County Mayor.

Not present.

8. Report of the Sheriff.

Not present. Reports attached.

9. Report of Emergency Management Agency.

Not present.

10. Report of EMS.

Not present. Reports attached.

11. Report of the ECC.

Not present. Reports attached.

12. Volunteer Fire Department Ad-hoc.

Comm. Harris moved, seconded by Comm. Klein, to suspend the rules to allow Comm. Wynne to give report. The motion carried unanimously.

Comm. Wynne recommended that the HEMS Committee consider adopting TCA 55-4-140 to waive the county's portion of vehicle registration fees for volunteer firefighters. He explained that the waiver would apply to one vehicle per volunteer firefighter and would support recruitment and retention efforts. Comm. Wynne estimated the annual fiscal impact to the county would be less than $20,000, assuming every eligible firefighter participated. He further noted that adoption of the waiver would require approval by the County Commission with at least 16 affirmative votes at two separate commission meetings.

13. Old Business.

None

14. New Business .

a. Air Ambulance Lease.

Comm. Harris moved, seconded by Comm. Sullivan, to approve. The motion carried unanimously.

b. Rural Health Transformation Fund Ambulance Grant.

Comm. Sullivan moved, seconded by Comm. Harris, to approve. The motion carried unanimously.

c. Health & Safety Standards (from Legislative).

Comm. Klein moved, seconded by Comm. Sullivan, to suspend the rules to allow Marshall Wright to speak to the matter. The motion carried unanimously.

Mr. Wright clarified that the only portion of the document formally approved by the Board of County Commissioners was the organizational restructuring that transferred all administrative, judicial, and enforcement responsibilities of the former Health and Safety Standards Board to the Board of Construction Appeals, thereby officially dissolving the Health and Safety Standards Board. The remainder of the Health and Safety Standards document, including the proposed modular shipping container regulations, has not been approved by the full commission and remains under review. Following action by the Legislative Committee, the complete document was referred to the Health and Emergency Services Committee for further review, markup, and regulatory alignment, excluding the previously approved board consolidation language and the 200-square-foot threshold. He was also noted that the Legislative Committee amended the proposed plan review and building permit threshold from 160 square feet back to 200 square feet before referring the document to the committee.

Chairman Rogers brought the meeting back in session.

Comm. Klein moved, seconded by Comm. Sullivan, to move to old business for next month. The motion carried unanimously.

d. Waive Motor Vehicle Privilege Tax for VFD.

Comm. Klein moved, seconded by Comm. Sullivan, to approve. The motion carried unanimously.

Commissioner Klein stated that he would like a better understanding of the concerns surrounding the 287(g) agreement. He acknowledged that individuals have appeared at multiple meetings requesting transparency and asked the County Attorney to clarify the issue so the commission could better understand the concerns and provide an informed response.

Law Director Eric Sitler explained that questions regarding the administration and day-to-day operation of the 287(g) agreement would be best addressed by Sheriff Craddick. He noted that, as an elected constitutional officer, the sheriff operates independently, and the Law Director does not oversee the Sheriff's Office's operational decisions. Mr. Sitler further stated that the sheriff has explained the agreement and its implementation on multiple occasions and emphasized that the 287(g) program is governed by specific federal requirements, leaving little discretion in its administration. He concluded that any questions regarding the operation of the agreement fall within the sheriff's authority and would be most appropriately answered by Sheriff Craddick.

15. Adjournment. Chairman Rogers declared the meeting adjourned at 5:19 p.m. upon motion by Comm. Harris and duly seconded by Comm. Sullivan.

Prepared by Jennifer Mitchell

Sign-In Sheet

COMMITTEE NAME: HEMS

DATE 7-6-2026

Name	Address	Agenda Item to be Discussed

TENNESSEE AMBULANCE SERVICE ASSOCIATION

TENNESSEE AMBULANCE SERVICE ASSOCIATION

MEETING REPORT | RURAL HEALTH TRANSFORMATION GRANT – AMBULANCE FUNDING

Date: July 1, 2026 **Host:** TDH Office of EMS **Prepared by:** Ted Cox, TASA Board

TASA Members,

We participated in a conference call today with the Office of EMS and Department of Health Answers to many questions are still being sought by the Office through CMS and they plan to have a call with CMS next week to gain more answers and guidance

The Office will be announcing a webinar for EMS providers that will take place later this month to go over the updates and provide more guidance

We will share any additional information as we receive it

Below is a summary of the conference call today

BOTTOM LINE

Every one of Tennessee's 89 rural counties has $305,461 on the table for one ambulance and one powerlift system Nothing else No stretchers, no monitors, no splitting the money across two trucks The contract template is identical statewide, and reimbursement only covers documented spend up to the cap The big open questions all sit with CMS, and the state expects clarified answers at a mid-July webinar.

WHAT'S CONFIRMED

- Scope is one ambulance plus powerlift per rural county. Durable equipment (stretcher, cardiac monitor, supplies) is excluded, and vendors can't bundle it into the reimbursable purchase

- Counties that don't need a lift can order without one But excess funds can't be kept Reimbursement equals actual spend
- All 89 rural counties are eligible Municipalities and the six large metros are not
- The state retains a security interest in the vehicle for the contract term No sale or trade until the term ends
- Quarterly transport count and mileage reporting runs through September 30 2041 The state office will supply most of that data (mileage, transports, permit status in-service date) No reporting is expected while the truck is on order

PENDING CMS GUIDANCE

- Prepayment and invoice-based reimbursement The state hopes to reimburse off invoice before delivery, but CMS hasn't signed off
- Whether the quote-and-approval-in-advance path is the default or must be requested
- Whether reimbursement keys to invoice date, payment date or delivery
- Application deadline The meeting referenced both September 30 and end of October 2027 A single authoritative timeline is coming
- Transfer rules for counties that contract 9-1-1 service to a non-governmental provider Clarification expected next week
- Documentation expectations where the county runs EMS with no private provider

TIMELINE RISK

Manufacturer lead times are running 20 to 30 months and demand from other states could push that to 36 That directly conflicts with the current grant deadlines, and the department has already raised it with CMS Anticipated approval turnaround after submission is 30 days, pending CMS confirmation So the message to members get quotes moving early The clock is the biggest threat to this money

TASA ACTION ITEMS

- Help disseminate grant information to county mayors and finance offices Initial emails went to Edison contacts and some counties likely never saw them
- Push members to attend the mid-July webinar once the invite drops
- Coordinate with county government associations on orientation support Mayoral turnover hits many counties around September 1 2026
- Route all questions through the state point of contact Brandon Ward, brandon.ward@tn.gov

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF SUMNER COUNTY, TENNESSEE, ADOPTING A WAIVER OF THE COUNTY MOTOR VEHICLE PRIVILEGE TAX FOR QUALIFYING VOLUNTEER FIREFIGHTERS PURSUANT TO TENNESSEE CODE ANNOTATED §§ 55-4-140 AND 5-8-102

WHEREAS, volunteer firefighters provide an essential public safety service to the residents, businesses, schools, churches, and communities of Sumner County; and

WHEREAS, volunteer firefighters respond to fires, motor vehicle accidents, medical emergencies, hazardous conditions, natural disasters, and other calls for assistance, often placing themselves in harm's way for the benefit of their neighbors; and

WHEREAS, the Board of County Commissioners recognizes that volunteer fire departments are a critical part of Sumner County's emergency response system and provide significant value to the County by strengthening public safety, improving emergency response capacity, and supporting communities throughout the County; and

WHEREAS, Sumner County further recognizes that volunteer firefighters give their time, training, labor, and personal resources without expectation of compensation, and that their service reflects a high level of civic duty, sacrifice, and commitment to the public good; and

WHEREAS, volunteer fire departments across Tennessee and Sumner County continue to face increasing challenges in recruiting and retaining volunteer firefighters due to growing training requirements, increased emergency call volumes, work and family obligations, rising costs, and the overall decline in volunteerism; and

WHEREAS, the Board of County Commissioners finds that reasonable measures to recognize, support, and retain volunteer firefighters are in the best interest of Sumner County and its residents; and

WHEREAS, Tennessee Code Annotated § 55-4-140 provides that an owner or lessee of a motor vehicle who is a resident of Tennessee, is an active member of a volunteer fire department, and has at least one (1) year of service shall be exempt, at the time of renewal, from the regular state registration fee imposed pursuant to Tennessee Code Annotated § 55-4-111 for only one (1) vehicle owned or used by the firefighter, upon certification or sworn statement from the chief of the fire department confirming that the applicant is an active volunteer member and upon compliance with state motor vehicle registration and licensing laws; and

WHEREAS, Tennessee Code Annotated § 55-4-140 further authorizes the legislative body of a county to waive the county motor vehicle tax for motor vehicles receiving the exemption under that section from the registration fee, provided that the waiver is approved in the same manner as the adoption of the motor vehicle tax under Tennessee Code Annotated § 5-8-102; and

WHEREAS, the Board of County Commissioners desires to express its appreciation for the volunteer firefighters serving Sumner County by adopting the county motor vehicle tax waiver authorized by Tennessee law for qualifying volunteer firefighters.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Sumner County, Tennessee, meeting in regular session, that:

Section 1. Adoption of Waiver.

Pursuant to Tennessee Code Annotated §§ 55-4-140 and 5-8-102, the Board of County Commissioners hereby waives the Sumner County motor vehicle privilege tax, commonly referred to as the county wheel tax, for one (1) motor vehicle owned or used by a qualifying volunteer firefighter who receives the state registration fee exemption under Tennessee Code Annotated § 55-4-140.

Section 2. Eligibility.

To qualify for the waiver adopted by this Resolution, the applicant must satisfy all requirements of Tennessee Code Annotated § 55-4-140, including, but not limited to, being a Tennessee resident, being an active member of a volunteer fire department, having at least one (1) year of service, and providing certification or a sworn statement from the chief of the fire department to which the volunteer firefighter is attached confirming that the applicant is an active volunteer member.

Section 3. Limitation to One Vehicle.

The waiver adopted by this Resolution shall apply only to one (1) motor vehicle owned or used by the qualifying volunteer firefighter and shall apply only to a motor vehicle receiving the registration fee exemption authorized under Tennessee Code Annotated § 55-4-140.

Section 4. Annual Verification.

The County Clerk may require such documentation as is necessary and consistent with Tennessee law to verify eligibility for the waiver, including annual certification or sworn statement from the chief of the applicable volunteer fire department confirming the applicant's active volunteer status and length of service.

Section 5. Administration.

The Sumner County Clerk is authorized and directed to administer the waiver adopted by this Resolution in accordance with Tennessee law and applicable procedures of the Tennessee Department of Revenue.

Section 6. Appreciation and Public Purpose.

The Board of County Commissioners finds that this waiver serves a valid public purpose by recognizing the service of volunteer firefighters, supporting recruitment and retention of emergency responders, and strengthening the public safety system serving the residents of Sumner County. The Board further expresses its sincere appreciation to the volunteer firefighters of Sumner County for their dedication, sacrifice, and continued service to the community.

Section 7. Effective Date.

This Resolution shall take effect upon final approval in the manner required by Tennessee Code Annotated §§ 55-4-140 and 5-8-102, the public welfare requiring it.

Outlook

Re: Volunteer Fire Vehicle Registration Fee Waiver

Sent: Monday, June 22, 2026 4:01 PM
To: Darrell Rogers <darrell.rogers@sumnercountytn.gov>
Subject: Volunteer Fire Vehicle Registration Fee Waiver

Chairman Rogers,

This past month the VFD adhoc voted to make a recommendation to the HEMS committee to adopt TCA 55-4-140 that would waive the county's portion of vehicle registration fees for volunteer fire fighters. This waiver would be limited to 1 vehicle per fire fighter and would be used by our VFDs for recruitment/retention of volunteers who have 1 or more years of service and are actively volunteering.

The revenue impact to the county is estimated to be under $20k per year and would require the commission to pass a resolution by 16 votes at 2 separate meetings (TCA 5-8-102).

I am attaching a sample resolution that outlines the intent of the adhoc's recommendation and references the applicable TCAs.

Please let me know if you have any questions or need to discuss.

TO: Members of the Sumner County Health & Emergency Services Committee

FROM: Marshall Wright, Director, Sumner County Building & Codes Department

DATE: June 29, 2026

SUBJECT: Review & Markup: Modular Shipping Container Provisions, Health & Safety Standards & Regulatory Updates

This memorandum outlines the structural and text adjustments made to the proposed Health & Safety Standards document following recent Sumner County Board of County Commissioners and Legislative meetings.

The last full **Sumner County Board of County Commissioners** meeting took place on *Monday, May 18, 2026,* and the subsequent **Legislative Committee** meeting was held on *Monday, June 22, 2026*.

Legislative Status of the Health & Safety Standards Document

Please note that during the last full voting session of the Sumner County Board of County Commissioners, the ***only*** portion of the proposed Healty & Safety Standards document that received formal approval was the organizational restructuring of our enforcement boards.

The Board of County Commissioners voted exclusively to adopt the language integrating all administrative, judicial and enforcement responsibilities of the **Health & Safety Standards Board** directly into the **Board of Construction Appeals (BOCA).**

As a result of this action, the Health & Safety Standards Board has been ***officially sunsetted.*** Moving forward, the **BOCA** will serve as the sole, unified quasi-judicial body responsible for hearing and deciding all local regulatory appeals, structural determinations and health and safety violations.

Because the Board of County Commissioners withheld voting on the remainder of the standards packet, all other regulatory provisions – including the modular shipping container guidelines – remain unapproved and have been referred to the Legislative Committee.

Pursuant to a motion passed at the last Legislative Committee meeting, this complete document is now transmitted to the Health & Emergency Services Committee for formal review, markup and regulatory alignment. Except for integrating the two boards, which was previously approved by full commission as well as the 200 square foot threshold that was also previously approved by the Legislative Committee.

***Shipping Container Dimensional Thresholds (Legislative Committee Action)**

The Legislative Committee successfully passed a motion modifying structural size minimums for any intermodal container configured for storage or accessory occupancy.

Document Change: The minimum allowable footprint has been raised from **160 square feet to exceeding 200 square feet** for all designated Modular Shipping Containers. Structures falling short of this baseline dimension do not meet standard compliance frameworks.

***Recission of Temporary Moving POD Allowances (Legislative Committee Action)**

A prior proposal allowing portable storage units to remain stationed on a property for up to 90 days without zoning or permits was officially **rescinded**.

Regulatory control defaults back to existing standard county zoning and code guidelines.

Regulatory Definitions Section (New Inclusions)

To resolve the precise semantic ambiguity highlighted during the legislative session, the following distinct legal classifications have been added to the definitions section of the document:

<u>*Portable On-Demand Storage (PODS)</u> Large, weather-resistant steel and aluminum containers delivered directly to your location for moving or temporary storage. Temporary storage units have a maximum of 60 days on-site, with a one-time extension for an additional 60 days with the permission of the Planning Director.

Conclusion

The Health & Emergency Services Committee is requested to review the attached text to ensure it complies with local health & safety requirements. Please compile your markups, revisions or adjustments ahead of our next voting so we can present a clean draft for final adoption.

Marshall Wright

Director, Sumner County Building & Codes Department

RESOLUTION NO. _____

Regulations Governing the Health and Safety Standards of Residential and Nonresidential Properties of Sumner County, Tennessee

1st Revision Adopted by Resolution of the Sumner County Commission on January 21st 1991.
2nd Revision Adopted by Resolution of the Sumner County Commission on September 18, 2003.
3rd Revision Adopted by Resolution of the Sumner County Commission on January 28, 2008.
4th Revision Adopted by Resolution of the Sumner County Commission on April 20, 2011.
5th Proposed Revision in 2026.

CHAPTER 1

General

Title. These Regulations shall be known as the Health and Safety Standards of Sumner County, also referred to as “the Property Maintenance Code”.

Scope. The provisions of this standard shall apply primarily to the **exterior** condition of residential and nonresidential structures and the blight located on the premises. The Health & Safety Standards shall constitute the minimum sanitation requirements for land, structures, facilities and vehicles by addressing unsanitary or unsightly conditions regardless of whether the condition was caused naturally or man-made.

These provisions, as well as the International Existing Building Code, International Fire Code, International Mechanical Code, International Fuel Gas Code, International Plumbing Code and International Building Codes, shall apply to the **interior** of all residential and commercial structures whenever the Building Official or his/her representative deems a violation to be life threatening.

Intent - The primary intent of these regulations is to protect the public from unsafe conditions and the spread of diseases caused by unsanitary conditions. The secondary intent is to protect the property value of nearby properties.

CHAPTER 2

Definitions

Definitions: Except where definitions are specifically included in various sections of this Resolution, words in the text of this Health and Safety Standard shall be interpreted in accordance with the provisions set forth in this section. Where words have not been defined, the currently adopted International Building Codes (IBC), Zoning Regulation definitions, or the Webster Dictionary shall prevail.

Accessory Structure: A structure which is on the same parcel of property as a principal structure and the use of which is incidental to the use of the principal structure. Examples of an accessory structure include but are not limited to the following; accessory dwelling units (ADUs), barns, garages, carports, sheds, greenhouses, gazebos, pools, pool houses, pavilions, and storage buildings.

Accumulation of debris, rubbish, trash, litter, or garbage: A state in which a significant quantity of solid waste products, decomposing matter, or personal property that has been discarded, damaged or which has little or no economic value or practical use and is located on said property such that one or more of the following conditions results:

(a) Any accumulation of putrescible or non-putrescible matter that may contribute to the infestation of the property by insects, rodents, marsupials or other wildlife or any debris, rubbish, trash, litter or garbage that has the potential of spreading to adjacent properties by the natural action of wind or water.
(b) Any accumulation producing offensive odors that affect the reasonable enjoyment of adjacent properties thereby depresses the value of adjacent properties.
(c) This code includes the accumulation of one or more unlicensed, junk or dismantled motor vehicles as defined in detail in these definitions.

Exception: This definition does not address the brief, temporary storage of debris, trash, litter or garbage for regularly scheduled waste disposal, transfer or pick up.

Acceptable Alternative: A proposed option that is satisfactory in meeting this specific Health and Safety Standard and keeps the intent of the requirements of the standard intact.

Agricultural: Farms (See FARMS) that involve the production for sale of plants and animals useful to man, including but not limited to: forages and sod crops; grains and seed crops; dairy animals and dairy products; poultry, and poultry products; livestock, including beef cattle, sheep, swine, horses, ponies, mules, or goats or any mutations or hybrids thereof, includes the breeding and grazing of any or all of such animals; bees and apiary products; horticulture; trees and forest products; fruits of all kinds, including grapes, nuts and berries; vegetables; nursery, floral, ornamental, and greenhouse products (wholesale nurseries); or lands devoted to a soil conservation or forestry management program.

Approved: means approved by the Building & Codes Director.

Blight: The term used to describe a residence, dwelling or property most commonly found unsafe for the health and safety of the occupants of said building. These structures and premises exhibit evidence of, but are not limited to, rot, decay, dilapidation, compromised structural integrity, uncleanliness, dead trees and other unsightly natural growth of vegetation and the like.

Board of Construction Appeals (BOCA): Also known as the **Hearing Board,** a quasi-judicial board that hears and decides appeals of orders, decisions or determinations made by the *building official* relative to the application and interpretation of building codes, adequate facilities taxes and the health and safety standards adopted by the county government.

Brief: For the purpose of these standards, the term brief is a measurement of time no longer than 30 calendar days.

Building: A structure permanently affixed to the ground, with a roof, and intended for the shelter or enclosure of persons or property. Where roofed structures are separated from each other by party walls, having no openings for passage, each portion so separated shall be considered a separate building.

Building and Codes Department: The department charged with implementing the adopted Building Codes of Sumner County and with implementing and enforcing, the requirements of the Health and Safety Standard as provided herein.

Building and Codes Director: The individual, employed by the County, to directly oversee and manage the Building and Codes Department including the Health and Safety Standards.

Building Permit: A written permit issued by the Building and Codes Department that is required before the commencement of most construction, reconstruction, or alteration of buildings, swimming pools or other structures.

Certificate of Zoning Compliance: The authorization of the Planning and Engineering Department affirming the use and conditions of the premises that comply with the zoning regulations that are applicable to the property.

Condemned: The specific state of a building, house, or other structure, which has been found to be unsafe for human occupancy.

Dilapidated building or structure: A structure that is unfit for human occupation or use due to conditions in or around such structure. Such structures are dangerous or injurious to the health and safety of the occupants of the structure, the occupants of neighboring structures, and to the health and safety of other residents of the county. Such conditions may include, but are not limited to, defects within the structure that increase the hazard of

fire, accidents or other calamities. These structures exhibit disrepair, structural defects, wildlife infestation, as well as all other unsanitary conditions, and are no longer able to adequately fulfill the purposes for which they were originally constructed.

Dwelling: A house, apartment or other place of residence.

Farm: A parcel of land equal to or exceeding 5 acres in size and used for residential and agricultural purposes.

Hazardous Occupancy: Is the use of a building or any part thereof, which involves the manufacturing of highly flammable materials, the storage of flammable materials, the use of combustible materials, the handling of explosive materials or materials that constitute a high-risk fire hazard, which readily support combustion.

Health and Safety Hearing Board: Individuals appointed by the Sumner County Mayor called together for the purposes of implementing these standards; may also be referred to as the Board of Construction Appeals.

Imminent Danger: A condition that exist which exposes an individual to an environment that presents the threat of death or serious physical harm. These conditions include, but are not limited to, the loss of, or the loss of use of a body part. It also includes health hazards presented by the exposure to toxic substances or other health hazards that will shorten the life of an individual or substantially reduces the mental or physical efficiency of said exposed individual. The reasonable expectation of the exposure to imminent danger is that injuries will occur within a short time of exposure to said condition.

Junkyard: Any land or structure used for the storage and sale of waste paper, rags, scrap metal, discarded materials and the like. A junkyard is also defined as the collection of salvaged, dismantled and the storage of four or more unlicensed or inoperative vehicles for sale.

Landowner: Includes the holder of legal title to real property as well as holders of any equitable interest; such as trust beneficiaries, contract purchases, option holders, lessees under leases having an unexpired term of at least ten years, and the like.

Whenever a statement of ownership is required by the Resolution, full disclosure of all legal and equitable interests in the property is required.

Landscaping: The area within the boundaries of a given lot that consists of planting materials, including but not limited to; trees, shrubs, ground covers, grass, flowers, decorative rock, bark, mulch, and other similar materials.

Mobile Home: A manufactured home, which has been attached to a single chassis, designed to be occupied as a single living unit.

Neglect and Overgrowth of Vegetation: A documented condition of property where trees, vines, grass, underbrush or other vegetation have been allowed to grow in such a manner as to endanger the health and safety or welfare of occupants of the property, or other persons of the county. This condition also encourages the infestation of vermin, marsupials, wildlife or other harmful animals and insects.

Nuisance: Something (as an act, object, or practice) that invades or interferes with another's rights or interests (as the use or enjoyment of property) by being offensive, annoying, dangerous, obstructive, or unhealthful.

Owner: Owner of personal property found on any landowner's property that constitutes a code violation.

Permanent Basis: A term used in the Health and Safety Standard describing the occupation of a travel trailer, motor home, or camper on a full-time basis. The time frame of 45 (forty-five) consecutive days is considered a "permanent basis". This is not considered recreational use and may be confirmed by a permanent utility connection and or being attached to a permanent foundation.

Permanently: A term used in the Health and Safety Standard, to describe the affixed state of the address identification method, as determined by the Property Maintenance Inspector as notated on page 8.

Portable On-Demand Storage (PODS): Large, weather–resistant steel and aluminum containers delivered directly to your location for moving or temporary storage. Temporary storage units have a maximum of 60 days on-site, with a one-time extension for an additional 60 days with the permission of the Planning Director.

Property Maintenance Inspector: The employee of the Building and Codes Department who is responsible for monitoring and implementing the Sumner County Health and Safety Standards throughout Sumner County. He or she is also referred to as "the inspector".

Reasonable Level: This term refers to the reasonable and rational expectations of care and maintenance, implemented and satisfied by the adherence to these resolutions. A "reasonable level" shall be determined by the property inspector, once the property, structure or condition of said properties, has been inspected and reviewed for compliance with these Health and Safety Standards for compliance.

Real Property: The definition of real property used in these regulations refers to land and anything growing on, affixed to, or built upon land.

Residence: A building or part of a building, containing one (1) or more dwelling units or rooming units, including single-family or two-family dwelling, multiple dwellings, boarding or rooming houses. However, residences do not include:

(a) Transient accommodations such as hotels, motels, or similar establishments.

(b) Dormitories, fraternity or sorority houses, monasteries, or convents, or similar establishments containing group living or sleeping accommodations.

(c) Nurses' residences, sanitariums, nursing homes, convalescent homes, rest homes, or other sleeping or living accommodations in community facility buildings or portions of buildings used for community facilities.

(d) In a mixed building, that part of the building used for nonresidential uses.

Semi-tractor trailers: Trailers whose manufactured design is solely for the transportation of loads and goods. Semi-trailers, whose manufactured design is for the transportation of loads and goods, shall not be considered shipping containers.

Shipping/ Intermodal Containers: A six-sided steel unit originally constructed as a general cargo container used for the transport of goods and materials. For regulatory purposes, the term is not to include semi-tractor trailers or Portable On-Demand Storage (PODS).

Significant Quantity: Significant quantity will be based on the observed and documented expressed opinion of the property maintenance inspector and supported by the measurable amount of that which has been deemed to be in code violation.

Singlewide Mobile Homes: A manufactured home, whose measurements range between 8-12 feet in width, have a chassis and are constructed for the sole purpose of residency.

Store: To keep or accumulate (something) in a location for preservation, for future use or future disposal or relocation.

Structure: Any erected or constructed material or combination of materials that requires a location on the ground, including but not limited to buildings, signs, towers, smokestacks, and overhead transmission lines. A building or construction intended for human occupation or use for residential, commercial, industrial or storage purposes. The term includes, but is not limited to; houses, garages, commercial and industrial buildings, shops, storage buildings, barns and or sheds. The term is not applicable to the regulations of buildings used for agricultural purposes as prescribed in Tennessee Code Annotated, Sections 5-1-122 and 5-1-115.

Structurally Dangerous: A building or structure that has collapsed, has partially collapsed, has moved off its foundation or lacks the necessary support of the ground. There exists a significant risk of collapsed, detachment or dislodging of any portion, member, appurtenance or ornamentation of the building or structure under permanent, routine or frequent loads; under actual loads already in effect; or under snow, wind, rain, flood, earthquake or environmental loads when such loads are imminent.

Travel Trailers, Motorhomes and Campers: Are vehicles intended for recreational use and are designed to be drawn by an automobile. They are equipped and designed to support their usage like unto a dwelling during the time of recreational use and travel.

Unlicensed, Junk or Dismantled Motor Vehicles: Is an abandoned or unlicensed motorized or non-motorized vehicle; including cars, trucks, tractor trailers, buses, motorcycles, campers, travel trailers, semi-trailers as well as any machine propelled by power other than human power, designed to travel along the ground by the use of wheels, treads, self-laying tracks, runners, slides or skids; which if applicable, fail to have a current, lawfully affixed license plate, nor have the required state mandated current registration documentation from the Tennessee Department of Motor Vehicles. This definition also includes vehicles for which the condition is wrecked, dismantled, partially dismantled, inoperative, abandoned, discarded, missing essential parts of the vehicle's drivetrain, including but not limited to the engine, transmission, fuel support systems, transaxle, axle, drive shaft, differentials. This term also applies to vehicles with extensive exterior body damage, missing exterior body parts including but not limited to; fenders, doors, engine hood, bumpers, windshield, wheels or tires and the like.

This shall not include any motor vehicle in "operable" condition specifically adapted or designed for operation on drag strips or racetracks per the appropriate sanctioned rules and regulations, or any vehicle retained by the owner for antique collection purposes that have a lawfully affixed antique license plate. This shall not include farm tractors and farm equipment.

Vacant Structure: Is a building that has been abandoned, unoccupied, or empty for two consecutive years.

Water Craft: Includes all boats, motorized and non-motorized water vessels that are designed to travel on water.

CHAPTER 3

REGULATION AND ENFORCEMENT

The purpose of this section of the resolution is to document the Sumner County Health and Safety Standard violations and to establish the minimum requirements that will provide a reasonable level of safety, health and property protection for the general welfare of the Sumner County residents. These regulations control the exterior deterioration and blight of existing residential and nonresidential structures including pools and spas. The prescribed standard of this resolution primarily applies to, but is not necessarily limited to, the exterior of the home, accessory structures and the condition and overall upkeep of all real property. In the event of

an emergency, the Building Official shall not be required to provide a written notice prior to requiring the premises to be vacated. An **IMMINENT DANGER PLACARD** or similar placard shall be immediately posted on the premises stating the reason for concern.

The Health and Safety Standard shall be applied in accordance with the procedures and provision of the International Building Code, International Existing Building Code, International Energy Conservation Code, NFPA National Electrical Code, International Fire Code, International Fuel and Gas Code, International Residential Code, International Plumbing Code as adopted by Sumner County, Tennessee, where applicable.

It is the obligation of the owner(s) of property to maintain such property so as not to endanger the health, safety, or welfare of county residents and/or so as not to violate the terms of these Standards. If said property fails to comply with the above-stated regulations, the property owner(s) as well as the tenant(s) shall be responsible and liable regardless of whether such condition was caused by a tenant, leaseholder or other persons.

CHAPTER 4

VIOLATIONS

1. It shall be a violation for not having a 911 address permanently attached and visible from the public right-of-way. All parcels designated with a legal 911 address, both residential and commercial/industrial buildings, must exhibit an approved address identification. The address identification shall be legible and placed in a position that is visible from the street or road frontage of the property. Address identification characters shall contrast with their background. Address numbers shall be Arabic numbers or alphabetical letters. Numbers shall not be spelled out. Each character shall not be less than 4 inches (102mm) in height with a stroke width of not less than 0.5 inch (12.7mm). Where required by the Building or Fire Code Official, address identification shall be provided in additional approved locations to facilitate emergency response. Where access is by means of a private road, and the building address cannot be viewed from the public way, a monument, pole or other sign of means shall be used to identify the structure. Address identifications shall be maintained.

2. It shall be a violation of these regulations for any owner of property to create, maintain or permit to be maintained on a property; the obvious neglect and overgrowth of vegetation, fallen trees and or the accumulation of debris; that endanger the health, safety or welfare of other persons. It shall also be considered a violation on any parcel,

developed or vacant, to allow grass, weeds, vines or underbrush to exceed (15) inches in height. Farms shall be considered exempt; however, any common property line(s) that adjoin any residential property(s) must have a 5 (five feet) interior mowed buffer from said property lines subject to topography considerations and excluding standing forests.

3. It shall be a violation of these regulations for any owner of property to create, maintain or permit to be maintained on a property, a dilapidated building or structure whether vacant or not, that endangers the health, safety, or welfare of other persons. This includes buildings and structures damaged by fire, water or wind. Exterior repairs, additions or alterations to a structure or changes of occupancy, shall be done in accordance with the Sumner County Zoning Resolution and the International Building Codes as adopted by Sumner County, Tennessee.

4. It shall be a violation to occupy or use as a residence, a structure or building that has been erected, altered contrary to law or occupied by more persons than permitted by law. Abandoned, vacant or unsafe structures shall be considered in violation of the Health and Safety Standards and may be condemned if found unfit and unsafe for human occupancy. An unsafe structure is one that is found dangerous to the life, health, property or safety of the public or the occupants of the structure by not providing the minimum safeguards to protect or warn the occupants in the event of a fire or because such structure contains unsafe and faulty equipment. Structures will be considered in violation if the building exhibits damage, decay, is in a notable state of dilapidation, has been found to be structurally unsafe or presents such faulty construction or conditions that partial or complete collapse is possible.

5. It shall be a violation to allow a building or structure to be left vacant in such a state of neglect or disrepair, that it presents an attractive nuisance to children or other persons who may unknowingly enter into the building inadvertently exposing themselves to the possibility of imminent danger. Structures that are considered in violation of this provision often exhibit one or more of the following conditions; they have been unoccupied or abandoned for an unspecified length of time, doors and windows are often left open or are altogether missing due to vandalism or neglect, various items may be found lying about the property or may be visible from the outside of the home due to the owner failing to secure the structure, or to maintain the property. It is also a violation of these resolutions to allow a building or structure to become in such a state of neglect that it becomes a harbor for vagrants, criminals or immoral persons, or

enables persons to resort to the building or structure for committing an unlawful act or present a nuisance.

6. It shall be a violation to use a semi-trailer (whose manufactured design is for the transportation of loads or goods) as a storage container. This code violation does not apply to semi- tractor trailers that are considered road worthy.

7. It shall be a violation of this code to park, store, leave, or permit the same of any abandoned, unlicensed, junk or dismantled motor vehicle (as described in the definition portion of these regulations) on any lot or parcel or any public right of way for a period in excess of two 2 weeks. This code violation includes dismantled parts, scrap metal and other discarded components of motor vehicles. Personal vehicles for sale must be owned by the individual and on the property that the vehicle owner holds residence. It shall also be considered unlawful if the owner fails to comply with the Order of Removal Notice sent by the Building and Codes Department within 20 days of the notification's receipt.

   This term shall not include items on the premises of an establishment constituting an automobile graveyard within the meaning of T.C.A. § 54-20-201, et seq., and operating in compliance with the requirements of that part or establishments having facilities for processing scrap metal.

8. It shall be a violation of these regulations and considered a safety violation, to occupy a travel trailer, motorhome, or camper on a permanent basis. The definition of occupying a travel trailer, motorhome, or camper on a permanent basis shall be sufficiently established. Any travel trailer, motorhome or camper, which either has been occupied for 45 consecutive days or has a permanent deck, permanent electrical connections, permanent water line connections, permanent septic systems, or foundation skirting affixed to the travel trailer, motorhome or camper; such conditions will effectively define the travel trailer, motorhome or camper as being occupied on a "permanent basis".

9. All boats, motorized water vessels, etc. that are parked, or allowed to be parked on a property that is not zoned for a public business, must have a current registration. Failure to have a current registration will be a violation of these regulations.

10. It shall be a violation if the residential property owner fails to keep all visible open areas of the property under his or her control, clean and void of an accumulation of debris, trash, litter or garbage. This code violation also includes any of the following items; abandoned or disabled household items, such as but not limited to refrigerator, freezers, washers, dryers, water heaters, air-conditioning units, heaters and any other types of industrial machinery discarded and left about the property.

11. It is unlawful to tamper with signs, tags, or seals posted, or affixed by the Building Official, or by his/her representative, and shall not be mutilated, destroyed or tampered with, or removed without the authorization of the Building Official.

12. It shall be a violation to place a shipping container on a residential or a non-residential property without all requirements such as location and size being compliant with the zoning resolution and all applicable IRC and IBC code requirements.

13. Non-compliance with any provision of these Health and Safety Standards not otherwise specified in this chapter shall be a Health and Safety Standard violation.

CHAPTER 5

General Building Exterior Requirement

The exterior of a structure shall be maintained in good repair, structurally sound and sanitary so as not to pose a threat to the public health, safety or welfare.

Unsafe Conditions. The following conditions shall be determined as unsafe and shall be repaired or replaced to comply with the *International Building Code* or the *International Existing Building Code* as required for existing buildings.
***The items below include but are not limited to "unsafe conditions".*

1. The nominal strength of any structural member is exceeded by normal loads, the load effects or the required strength.
2. The *anchorage* of the floor or roof to walls or columns, and of walls and columns to foundations is not capable of resisting all nominal loads or load effects.
3. Structures or components thereof that have reached their limit state.

4. Siding and masonry joints including joints between the building envelope and the perimeter of windows, doors and skylights are not maintained, weather resistant or water tight.
5. Structural members that have evidence of deterioration or that are not capable of safely supporting all nominal loads and load effects.
6. Foundation systems that are not firmly supported by footings, are not plumb and free from open cracks and breaks, are not properly *anchored* or are not capable of supporting all nominal loads and resisting all load effects.
7. Exterior walls that are not *anchored* to supporting and supported elements or are not plumb and free of holes, cracks or breaks and loose or rotting materials, are not properly *anchored* or are not capable of supporting all nominal loads and resisting all load effects.
8. Roofing or roofing components that have defects that permit rain intrusion, roof surfaces with inadequate drainage, or any portion of the roof framing that is not in good repair with signs of *deterioration*, fatigue or without proper anchorage and incapable of supporting all nominal loads and resisting all load effects.
9. Flooring or flooring components with defects that affect serviceability or flooring components that show signs of *deterioration* or fatigue, are not properly *anchored*, or are incapable of supporting all nominal loads and resisting all load effects.
10. Veneer, cornices, belt courses, corbels, trim, wall facings and similar decorative features not properly *anchored* or that are *anchored* with connections not capable of supporting all nominal loads and resisting all load effects.
11. Overhang extensions or projections including, but not limited to, trash chutes, canopies, marquees, signs, awnings, fire escapes, standpipes and exhaust ducts not properly *anchored* or that are *anchored* with connections not capable of supporting all nominal loads and resisting all load effects.
12. Exterior stairs, decks, porches, balconies and all similar appurtenances attached thereto, including *guards* and handrails, are not structurally sound, not properly *anchored* or that are *anchored* with connections not capable of supporting all nominal loads and resisting all load effects.
13. Chimneys, cooling towers, smokestacks and similar appurtenances not structurally sound or not properly *anchored*, or that are *anchored* with connections not capable of supporting all nominal loads and resisting all load effects.

For Protective Treatment and Maintenance; see section 304.2 of the currently adopted International Property Maintenance Code (IPMC) under the heading *Protective Treatment.*

CHAPTER 6

Prescriptive and Performance Requirements

1. Exterior repairs, additions or alterations to a structure, or changes to the occupancy capacity, shall be performed in accordance with the procedures and provision of the International Building Code, International Existing Building Code, International Energy Conservation Code, International Fuel and Gas Code, International Residential Code, International Plumbing Code and NFPA National Electrical Code as adopted by Sumner County, Tennessee. Repairs, maintenance work, alteration or installations that are caused directly or indirectly by the enforcement of this code, shall be executed and installed in a workmanlike manner and installed in accordance with the manufacturer's instructions. Requirements necessary for the strength, stability, or proper operation of an existing fixture, structure, or equipment, or for the public safety, health and general welfare, not specifically covered by this resolution, shall be determined by the Building Official. The provisions of this resolution shall not be deemed to nullify any provisions of local, state, or federal law.

2. The provisions of this Standard are not intended to prevent the installation of any materials or to prohibit any design or method of construction that are prescribed in the adopted building codes. The Building Official shall have the authority to approve an alternate material, design or method of repairs. The Building Official shall first find that the proposed design is satisfactory and complies with the intent of the provision of this Standard, and that the materials, method or work offered is, for the purposes intended, shall not be less than the equivalent of that prescribed in the Health & Safety Standards in quality, strength, effectiveness, fire resistance, durability and safety. Compliance with the specific performance- based provisions of the International Codes shall be an alternative to the specific requirements of this Standard.

3. Used material and equipment, utilized for the construction of a structure, must comply with the standards that are required of new material and equipment. Any used materials and equipment being considered, must be approved by the codes department prior to use or installation. Supporting documents and data may be requested by the Building Codes Department and must be obtained and reviewed before the authorization of the use of said materials and equipment.

4. Should any building and or structure suffer damages due to fire, the owner or person in control shall remove all refuse, debris, charred and partially burned lumber and material from the premises within 60 (sixty days) after the Fire Department and or Insurer of the

property, have completed their scene investigation. If the building or structure is to be repaired, the applicable Building or Accessory Structure Permit must be obtained from the Sumner County Building Department before repairs commence. After the appropriate permits have been obtained for the fire damage repairs, said work shall commence within 60 (sixty days) after the completion of the scene investigation by the Fire Department and or Insurer.

5. If a structure is vacated and deemed unfit for human habitation but is not in danger of structural collapse, the Building Official is authorized to post a placard of condemnation on the premises and may order the structure closed up and secured so as not to be an attractive nuisance. If the owner or owners fail to close up and secure the premises within the time specified, the Building Official may cause the premises to be closed, and secured through any available public agency, or by contract, or arrangement by private persons and the cost thereof shall be charged against the real estate upon which the structure is located. A lien shall then be placed upon such real estate and shall be collected by any other legal resource.

6. The Building Official may authorize the disconnection of utility services to a building, structure, or other systems regulated by this code, in an emergency, when necessary to eliminate an immediate hazard to life, or property where such a utility connection has been made without proper permits or approval. The Building Official may exercise his or her authority and notify the serving utility company of proposed stoppage of services due to noted violation. Whenever possible, the owner or owner's authorized agent and occupant of the building, structure or service system, shall be notified of the decision to disconnect this service, prior to taking such action. If not notified prior to the disconnection, the owner and owner's authorized agent or occupant of the building, structure or service shall be notified in writing as soon as practical thereafter.

7. When in the opinion of the Building Official there is imminent danger of failure, or collapse of a building or structure that endangers life, or when any structure or part of a structure that endangers life, or when any structure or part of a structure has fallen and life is endangered by the occupation of the structure, or when there is actual or potential danger to the building occupants, or those in the proximity of any structure because of explosives, explosive fumes or vapors or the presence of toxic fumes, gases or materials, or operation of defective or dangerous equipment, the Building Official shall cause to be posted at each entrance to such structure a notice reading as follows: **"UNSAFE STRUCTURE** or **IMMINENT DANGER OCCUPANCY OR ENTRY**

PROHIBITED". It shall be unlawful for any person to enter such structure except for the purpose of securing the structure, making the required repairs, removing the hazardous condition or of demolishing the same.

8. When in the opinion of the Building Official, there seems to be imminent danger to the public or occupants of a building, he or she shall order the necessary work to be performed to mitigate the threat, regardless whether the legal procedure herein described has been instituted; and shall cause such other action to be taken as the Building Official deems necessary to meet such an emergency. The Building Official may employ the necessary labor and materials to perform the required work as expeditiously as possible. The cost of such emergency repairs shall be paid by the jurisdiction. The legal counsel of this jurisdiction shall institute appropriate action against the owner of the premises or owner's authorized agent where the unsafe structure is or was located for the recovery of such cost. The financial recovery will be in the form of a property lien or by any other means approved of by the Sumner County Legal Department.

9. In cases of public safety emergencies, the Building Official is authorized to temporarily close structures, sidewalks, streets, public ways and places adjacent to unsafe structures, and prohibit the same from being utilized.

CHAPTER 7

Pools, Hot Tubs & Spa Requirements

Per the adopted codes of September 21st 2015, all private swimming pools, hot tubs and spas containing more than 24 inches of water shall be completely surrounded by a fence or barrier not less than 48 inches in height about the finished ground level measured on the side of the barrier away from the pool. Gates and doors in such barriers shall be self- closing and self-latching. Where the self- latching device is less than 54 inches above the bottom of the gate, the release mechanism shall be located on the pool side of the gate. Self-closing and self-latching gates shall be maintained such that the gate will positively close and latch when released from an open position 6 inches from the gatepost. An existing pool enclosure shall not be removed, replaced or changed in a manner that reduces its effectiveness as a safety barrier. Swimming pools, spas or hot tubs with a safety cover that comply with the ASTM F1346 shall be exempt

from the provision. Pools and spas and all related mechanical, electrical and plumbing systems both existing and new, and parts thereof, shall be maintained in property operating condition in accordance with the original design in a safe and sanitary condition. Devices or safeguards that are required by existing Swimming Pool and Spa Codes shall be maintained in compliance with the edition of the Swimming Pool and Spa Code under which they were installed. Additions, alterations, renovations or repairs to any pool, spa or related systems shall conform to that required for a new system without requiring the existing systems to comply with the requirements of the current Swimming Pool and Spa code. Additions, alterations or repairs shall not cause the existing systems to become unsafe or unsanitary.

It shall be a violation for swimming pools and spas that are **not** in compliance with the currently adopted International Swimming Pool and Spa Codes (ISPSC). All swimming pools and spas should comply with *Katie's Beth Law,* which can be found in the T.C.A Section 68-14-801 through 807.

CHAPTER 8

Process of Code Violation Initiation

Whenever a complaint is filed with the Property Maintenance Inspector, which meets all or part of the conditions below, he or she will investigate the allegation in efforts to document and support the validity of the code violation(s) reported.

The Property Maintenance Inspector shall begin his or her inspection procedures, after being made aware of a code violation, by any of the following methods or conditions listed below.

a) At least three (3) owners or occupants of property, that are within one hundred (100) yards of the boundary of the property in question, shall submit a signed formal complaint form in writing which details the alleged violation(s) of these regulations. The Property Maintenance Inspector may also begin process after receiving a call in complaint which has specific details and location concerning said alleged violation.

b) The Property Maintenance Inspector on his or her own can visibly observe a code violation from a public road.

c) The adjoining property owner gives permission for the Property Maintenance Inspector to observe the alleged code violation from their property for which an alleged code violation has been reported.

d) The Inspector is authorized to receive complaints via phone providing that the caller provides their name and address in addition to the name and address where the alleged violation is occurring.

Confidentiality of the complainant shall not be guaranteed as a result of the Tennessee Public Records act.

CHAPTER 9

Notice of Violation

(1.) The inspector shall provide a written notice to the property owner of the violation(s) of these regulations by personal service (hand delivered), or by the United States Postal Service, or by the United States Postal Service Certified Mail with a Return Receipt Requested, addressed to the last known address of the owner(s) of record. The notice of violation shall state that the owner of the property is entitled to a hearing. The notice of violation shall be written in plain language and shall also include, but not be limited to the following elements.

(2.) A summary of the requirements of these regulations shall be stated along with a brief statement of the violations noted by the inspector including the date the violations where noted.

(3.) A brief statement of the authority granted to counties under T.C.A. § 5-1-115 and an explanation of the consequences and penalty of failing to remedy the violations of the regulations shall be included.

(4.) The person, office address, and telephone number of the department or person giving notice shall be provided.

(5.) The time frame which the alleged violator must remedy the violation. (Note: the allotted time frame for compliance is 14 days, however, the inspector is authorized to extend the timeline due to the severity of the violation.

(6.) The code violation notice shall provide the address or contact information to the notified party on how he or she may request the desire for a hearing or waiver of hearing, and agreement to remedy the violation.

If the whereabouts of the owner(s) of record is unknown, and the same cannot be ascertained by the Building Department in the exercise of due diligence, or if for any reason, notice by Certified Mail Return Receipt Request cannot be obtained, the Building Department, after making an affidavit to that effect, may then serve notice of violation upon such person(s) by publishing the same notice once each week for two (2) consecutive weeks in two (2) newspapers of local circulation. A copy of the Notice of Violation shall also be posted in a conspicuous place on the premises affected by the notice or order. A copy of the Notice of Violation shall be filed for record in the county register's office and such filing of the Notice of Violation or Order shall have the same force and effects as other notices provided by law.

This notice shall be in accordance with all of the following: it shall be in writing, it shall include a description of the real estate sufficient for identification, include a statement of the code violation or violations and why the notice has been issued. It shall include a correction order stipulating the designated time frame to make repairs and or improvements to bring the property, dwelling unit or structure into compliance with the health and safety standards. The notice shall inform the property owner or the owner's authorized agent, the right to appeal. In conclusion, the code violation notice shall also include the counties right to file a lien if warranted by such code violation.

CHAPTER 10

Appointment of the Board of Construction Appeals / Hearing Board

The Sumner County Health and Safety Standards Board (now referred to as "The Board of Construction Appeals") shall consist of six (6) board members appointed by the County Executive/Mayor subject to confirmation by the County Legislative Body.

All member terms shall be coextensive with the terms of the Board of Construction and Appeals.

Any compensation or authorization for reimbursement of expenses for the members of the Hearing Board shall be established by the County Legislative Body. In addition to its

responsibilities in hearing grievances pursuant to Chapter 11 of these regulations, the Hearing Board shall also be charged with the responsibility of recruiting or coordinating efforts of community organizations, neighbors, religious institutions, and other agencies to provide assistance to persons who are not financially or physically able to comply on their own with the requirements of these regulations.

CHAPTER 11

Compliance and Appeals

(a.) Upon receipt of the Notice of Violation as provided herein above, the property owner shall proceed forthwith to take appropriate measures to comply with these regulations, or to request a hearing before the Hearing Board established in Section 1 of these regulations. Pursuant to T.C.A. § 5-1-115 a request for hearing shall be made within fourteen (14) days following receipt of said notice of violation. If the property owner does not request a hearing, he or she shall take appropriate action to remedy the violation within fourteen (14) days, unless otherwise noted on code violation letter. If the owner of record has been identified as a carrier engaged in the transportation of property or is employed in utility transmitting communications, electricity, gas liquids, steam, sewage or other materials, the owner shall then have twenty (20) days to remedy the violation, excluding Saturdays, Sundays and legal holidays.

(b.) If the property owner requests a hearing within the fourteen (14) day time period, the Hearing Board shall, within a reasonable time following the receipt of the request for hearing, hold a hearing on the issue of the appropriateness of the requirements imposed on the property owner, and the issue of cost of remedying the condition. The time period established herein for remedying violations shall be stayed pending review by the Hearing Board. Failure to make the request for a hearing within the fourteen (14) days allowed by this regulation shall without exception, constitute a waiver of right to a hearing before the Health and Safety Board.

(c.) The hearing shall be conducted as an initial hearing with the burden of proof resting solely upon the Building Official, or representative, to demonstrate that a preponderance of evidence has been gathered and submitted which supports the alleged violation.

Immediately following the hearing, the Hearing Board may:

(1.) Dismiss the notice of violation and such notice shall become ineffective;

(2.) May confirm the notice of violation;

(3.) May modify the notice of violation;

(4.) Grant a continuance at the request of either party if the Hearing Board considers the continuance appropriate.

The affirmative vote of four (4) Hearing Board Members shall constitute action by the Hearing Board.

(d.) Any person aggrieved by an act of the Hearing Board under the provision of these regulations may seek judicial review of same under Tennessee Code Annotated, Title **27,** Chapter 8, and Part 1.

CHAPTER 12

Hearing Board Authority

(a.) If the owner fails to comply with the notice within fourteen (14) days of receipt and all other attempts at code violation resolutions have been exhausted, subject to stay pending review and any modifications made pursuant to review as provided for above, the Hearing Board may cause such property to be closed, vacated, repaired, altered, or demolished as necessary to remedy the code violation condition. The Hearing Board is authorized to contract with private entities to perform the work or request such work to be performed by a department or agency of the county. In contracting such services from a private entity, the Hearing Board shall comply with all applicable purchasing procedures of the county. The costs of such actions shall be assessed against the owner of the property. Upon performance of said code enforcement, the actual cost of such repairs, alterations, improvements or vacating and closing, removal, demolition of said structures, the county shall by formal notice, file with the office of the register deeds a lien in favor of the county against the real property on which such costs was incurred, second only to liens of the state and county for taxes, any lien of the county for special assessments, and any valid lien, right or interest in such property duly recorded or duly perfected by filing prior to the filing of such notice. The notice of lien shall identify the owner of record of the real

property, contain the property address, describe the property sufficiently to identify it and recite the amount of the obligation secured by the lien. These costs shall be collected by the county trustee at the same time and in the same manner as property taxes are collected.

(b.) Owner(s), individually and/or jointly, of property found to be in violation of these Regulations may be subject to a civil penalty of not more than fifty dollars ($50.00) for each offense. Each and every day during which such violation exists or continues after notice has been provided to the property owner, and the time for appeal or compliance has expired, shall be deemed a separate offense.

(c.) Pursuant to T.C.A. §§ 5-1-121 and 5-1-123, such penalties may be assessed by the General Sessions Court of Sumner County in exercise of its powers to enforce these regulations. Action to pursue such penalties in the General Sessions Court shall be instituted at the request of the Property Maintenance Inspector or Hearing Board by the County Attorney or other legal counsel designated by the County Legislative Body.

CHAPTER 13

Violations that Warrant Adjudication

1. If a written notice has been sent to the owner or the owners' authorized agent, regarding a compliance order, and the time period has expired without the code violations being resolved, the inspector shall post on the premises a placard denoting the specific violation. The following examples of placards include but are not limited to; *unsafe, danger, or condemned.* A statement of the penalties provided for occupying the premises, operating the equipment or removing the placard shall also be included. Such notices shall be posted in a conspicuous place in or about the structure affected by such notice. If the notice pertains to unsafe equipment, a placard shall be placed on the "condemned" equipment. Unsafe equipment includes any boiler, heating and cooling equipment, electrical wiring or device, flammable liquid containers or other equipment on the premises or within the structure that is in such disrepair or condition that such equipment is a hazard to life, health, property, or safety of the public or occupants of the premises or structure.

2. The Building Official, at the direction of the County Attorney, shall have the authority to seek a court order against the owner or, the owners' authorized agent of any premises, which has been abandoned or deemed vacant to demolish the structure after the

inspection of the premises supports a state of deterioration, dilapidation and has become in such disrepair as to be dangerous, unsafe, insanitary and in otherwise unfit for human habitation or occupancy.

3. If the owner of a premises or the owner's authorized agent fails to comply with a court order to demolish said structure within the time prescribed, the Building Official is authorized to cause the structure to be demolished and removed, either through an available public agency or by contract or arrangement with private persons. The cost of such demolition and removal shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate.

4. Where a structure has been demolished and removed, the governing body, or other designated officer under said contract, or arrangement aforesaid shall have the right to sell the salvage and valuable materials. The net proceeds of such sale, after deduction of expenses of such demolition and removal, shall be promptly remitted with a report of such sale or transaction, including the items of expense and the amounts deducted, to the person who is entitled thereto, subject to any order of the court. If such a surplus does not remain to be turned over, the report will account for said finding by documenting all expenses and recovery cost to perform the demolition and cleanup of said structure.

5. If a structure has been found in a state of disrepair where the cessation of normal construction has not taken place for a period of two or more years, the County Attorney, at the request of the Building & Codes Director, may seek a court order against the owner or the owner's authorized agent to demolish or remove such structure.

CHAPTER 14

Exceptions Regarding Motor Vehicles

(a). The county shall only undertake to remove motor vehicles in accordance with the provisions of T.C.A. §§ 55-16-101, *et seq*. *(Whenever a motor vehicle has been stored, parked or left in a garage, trailer park, or any type of storage or parking lot for a period of more than thirty (30) consecutive days, the owner of the garage, trailer park or lot shall report in writing the make, motor number, vehicle identification number, and serial number of the motor vehicle to the department of revenue, and in accordance with the limitations of T.C.A. § 55-5-122 It is unlawful for any person, or the person's agent, to move or cause to be moved, any motor vehicle located on private property,*

from the property, if the owner of the motor vehicle has acquired any interest in the private property by virtue of a lease or any contract, without the express consent of the owner of the motor vehicle; or upon request by the owner or tenant of the property on which the vehicle is located; or unless the person so moving the motor vehicle has acquired an interest in the vehicle by operation of law, a security interest agreement, or is acting pursuant to an order of a court of competent jurisdiction, including a municipal court..

The owner of unlicensed or dismantled motor vehicles, which are found to be in violation of this code as well as the Tennessee Code Annotated provisions above shall subject to removal and civil penalties.

(b.) This regulation shall not apply to any business operated pursuant to the Tennessee Solid Waste Disposal Act, Tennessee Code Annotated, Section 68-221-1101, *et seq*.

CHAPTER 15

Rules and Record Keeping

(a). In addition to these regulations, the Hearing Board may promulgate- (make known to the public) any additional rules and regulations necessary for the administration and enforcement of these regulations subject to approval by the County Legislative Body.

(b). The Building and Codes Department shall serve as the record keeper for the Hearing Board and shall maintain all minutes and records of the Hearing Board. The Building and Codes Department shall also keep a record of the following information regarding petitions, inspections and enforcement actions:

(1). All health & safety complaints filed with the building & codes office.

(2). The address of any property found to be in violation of this regulation.

(3). A copy of all notices delivered to property owners found to be in violation of these regulations and any expenses associated therewith.

(4). All waivers of hearing and agreements to remedy violations.

(5). All requests for hearing received.

(6). Orders and decisions issued by the Hearing Board.

(7). Copies of all requests for judicial review and final decision of the judicial review

(c). Records will be retained by the Building and Codes Department for 5 years.

CHAPTER 16

Effective Date

After passage of this resolution, the county clerk shall cause this Health and Safety Standard to be published in a newspaper of general circulation within the county. This regulation shall become effective sixty (60) days after its passage, the public welfare requiring it.

CHAPTER 17

Severability and Conflict with Other Resolutions

(a.) If a section, subsection, sentence, clause or phrase of this code is for any reason held to be unlawful, such decision shall not affect the validity of the remaining portion of this code.

(b.) All previous Health & Safety Standards, which are in conflict with these Health & Safety Standards, are hereby repealed.

[26]

Health & Safety Standards on Intermodal Shipping Containers

Definition derived from Section:202 of the 2021 International Building Code.

INTERMODAL SHIPPING CONTAINER: A six-sided steel unit originally constructed as a general cargo container used for the transport of goods and materials. For regulatory purposes, the term is not to include Semi-Tractor Trailers or Portable On-Demand Storage (PODS).

Intermodal Shipping Containers Guidelines:

Other than shipping containers used for storm shelters, no Shipping Container exceeding 200 sq. ft. shall be placed on site without first obtaining a zoning letter of compliance from the Planning & Engineer Department and a building permit from the Building & Codes Department.

Due to the unique construction of modified shipping containers for commercial and residential uses, where the code is silent, best engineer and construction practices will expressly be relied upon.

Shipping containers requiring permits must first be issued a Certificate of Occupancy, Certificate of Completion or Certificate of Use & Occupancy, depending on the use, prior to moving in personal contents or occupying. Owners of shipping container structures who fail to obtain the appropriate certificate prior to moving in personal contents or occupying may be subject to legal action.

According to IBC 104.9.1/ IRC 104.9.1 Used materials and equipment. Used materials, equipment and devices shall not be reused unless approved by the building official.

IT IS STRONGLY ADVISED TO REVIEW ANY NEIGHBORHOOD RESTRICTIONS PRIOR TO APPLYING FOR A ZONING LETTER OF COMPLIANCE OR BUILDING PERMIT.

Certificate of Decontamination Guidelines:

A copy of the Certificate of Decontamination shall be attached to the building permit application. The Decontamination Certificate or Decontamination Sticker shall be attached to the outside of the container. Information on the certificate should include;

1.) **Container/Asset Information:** Identification numbers (container number), model/type and return authorization number if applicable.
2.) **Decontamination Details: Identification** of the decontamination method used (e.g., disinfectant wipes, streaming, fumigation, 10% bleach solution) and the date the decontamination was completed.
3.) **Declaration Statement:** A signed statement confirming the container is clean, dry, odor-free, and free of hazardous chemicals, radioactive, or biological contaminants.
4.) **Signatory Information:** Printed name, title, company, signature and date of the person responsible for cleaning (e.g., laboratory safety officer or authorized operator).
5.) **Safety Status:** Specific check boxes or statements confirming that the container is safe for handling, transportation and subsequent use.

1. Intermodal Shipping Containers utilized for commercial use

Where otherwise permitted by the applicable zoning district, Intermodal Shipping Containers may be utilized for commercial purposes provided the owner obtains all necessary permits and complies with all applicable Zoning Regulations, Building Codes, and the following.

i. Issuance of a Certificate of Use & Occupancy.

2. Intermodal Shipping Containers utilized for dwellings

Intermodal Shipping Containers may be used for residential dwelling units provided that the owner obtains all necessary permits and adheres to all applicable Zoning Regulations, Building Codes and the following.

i. Two sets of construction documents prepared by a Tennessee License Design Professional shall be submitted in either paper or digital format at a level of detail required by the Plan Reviewer.

ii. Containers **shall not** be used for attached or detached garages unless the floor is non-combustible materials. (per Section R309.1 International Residential Code).

iii. Shipping container dwellings 500 square feet or less shall meet all state and local requirements for Tiny Homes.

iv. The first two shipping containers shall be either perpendicular, parallel or any other configuration except for end to end.

Note: Single wide mobile homes are permitted in mobile home parks only, per zoning resolution. This would be the reasoning for language above in item iv. (This note will be removed if document is codified).

v. Stacking containers shall be permitted as part of the design professional's configuration.

vi. Issuance of a Certificate of Occupancy.

3. Intermodal Shipping Containers utilized for accessory structures

Intermodal Shipping Containers may be used for accessory structures units provided that the owner adheres to all applicable Zoning Regulations, Building Codes and the following.

i. Containers exceeding ~~160,~~ 200 square feet shall require building permits. *Note*: *The county's adopted building codes require accessory structures exceeding 200 sq ft to be permitted, therefore a standard 8ft x20 ft =160 would not be regulated.*

ii. Storage containers may be placed on level ground supported by a crushed stone or gravel base.

iii. Exterior wall cladding shall be required when placed in residential zones, exterior cladding may consist of any product approved in *Section R703 Exterior Coverings of the International Residential Code.*

iv. The front façade of the shipping container shall be cladded using the same materials as the rear and sides or painted and free from rust and corrosion.

v. Elevated shipping container crawl spaces shall be skirted with any product approved in *Section R703 Exterior Coverings of the International Residential Code*.

vi. If elevated, crawl space height shall be a minimum of 24 inches from highest adjacent grade and anchored according to applicable code sections or best engineer practices.

vii. If elevated, crawl space access shall comply with the adopted International Residential Code.

viii. Shipping Containers intended for residential storage shall have 180 days from the issuance of the building permit to final inspection approval. If the property owner fails to receive the use & occupancy certification within 180 days the Building Official is

authorized to grant one or more extensions of time for additional periods not exceeding 180 days each. The extension shall be in writing and justifiable cause demonstrated.

ix. Underground Shipping Container used for storage shall have all components with the exception of front door, emergency egress, ventilation and pertinent utilities below finish grade.

x. Issuance of a Certificate of Completion.

4. Intermodal Shipping Containers utilized for swimming pools.

Intermodal Shipping Containers may be used for residential swimming pools provided that the owner adheres to all applicable Zoning Regulations, Building Codes and the following.

i. Issuance of a Certificate of Use & Occupancy.

5. Intermodal Shipping Containers utilized for storm shelters.

Intermodal Shipping Containers may be used for storm shelters provided that the owner adheres to all applicable Zoning Regulations, Building Code and the following.

i. The construction documents for all structural components and impact protective systems of the storm shelter shall be prepared and sealed by a registered design professional indicating that the design meets the criteria of ICC-500. **Exception:** Storm shelters, structural components and impact-protective systems that are listed and labeled to indicate compliance with ICC 500.

ii. Issuance of a Certificate of Completion.

Information for registering shelters:

*This information can also be found at **sumnerema.org***

Sumner County Severe Weather Shelter Registration Program is a free and voluntary program that allows residents who own a personal severe weather shelter in Sumner County to register their shelter with the Sumner County Emergency Management Agency. This information will only be provided to rescue personnel if your property is involved in a natural disaster or rescue operation.

Emergency Management Agency Personnel will visit your residence to obtain or verify GPS coordinates and other site verifications.

To register your severe weather shelter call (615) 452-7584 or register online by filling out the shelter registration form by clicking the link to the right.

Please email us at stormshelterregistration@sumnerema.org (mailto: stormshelterregistration@sumnerema.org) or call (615) 452-7584 if any information changes or if you have any questions.

Sumner County EMA thanks you for your participation.

ONE CALL AGREEMENT FOR EMERGENCY AIR MEDICAL SERVICES

This One Call Agreement for Emergency Air Medical Services (this "Agreement") is made and entered into effective as of 05/28/2026 (the "Effective Date") between Vanderbilt LifeFlight, a Tennessee not for profit corporation, having its principal place of business at 1210 Medical Center Drive Suite 13200 Nashville, TN 37232 ("Vanderbilt LifeFlight"), and Sumner County, Tennessee, having its 911 Communications Department at 255 Airport Road, Gallatin, TN 37066 ("COUNTY").

WHEREAS, COUNTY may require coordinated and centralized communication services to obtain air ambulance services for scene-based emergencies, and Vanderbilt LifeFlight, through the Vanderbilt LifeFlight Communications Center ("FlightCom"), shall serve as the one call partner for COUNTY, providing communications center services for all scene-based emergency air ambulance service requests within the COUNTY, pursuant to the procedure described below, which has been developed and approved by COUNTY (the"Procedure").

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and obligations set forth herein, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1.**TERM**. This Agreement shall remain in effect for thirty-six (36) months unless earlier terminated by either party upon thirty (30) days prior written notice to the other party.

2. **PROCEDURE.**

a. If COUNTY requires scene-based emergency air ambulance services, **COUNTY shall use the COUNTY Emergency Communications Center to contact FlightCom at 1-800-288-8111 or use LifeFlight App and identify such request as a One Call request for _(Sumner) County.** FlightCom shall obtain the location of the scene, landing zone or nearest town center (collectively, the"Scene") from COUNTY.

b. Using dispatch software, FlightCom shall use its reasonable efforts under the specific circumstances to implement the following response matrix to locate an available aircraft:

i. FlightCom shall identify the closest most appropriate aircraft to the Scene, and shall contact the appropriate dispatch center to request such aircraft provide the necessary emergency air medical transport services.

ii. If the closest most appropriate aircraft is not available or unable to respond, FlightCom shall identify the next closest appropriate aircraft to the Scene, and shall contact the appropriate dispatch center and specifically request the services of such aircraft.

iii. If the first-identified alternate aircraft is not available, FlightCom shall continue to follow the procedure of Section 2(b)(ii) in an effort to locate an available aircraft. If an

available aircraft is identified, FlightCom shall provide that aircraft and/or appropriate dispatch center with all necessary information obtained by FlightCom.

iv. If any aircraft declines the flight request for weather-related reasons, FlightCom shall use reasonable efforts under the circumstances to identify an alternate aircraft that is able to respond, in accordance with applicable FlightCom procedures. FlightCom may advise such aircraft and/or appropriate dispatch center of any previous weather declinations, including (1) which base(s) declined, and (2) any weather phenomenon cited in the previous declination(s).

v. In the event FlightCom is unable to locate an aircraft in close enough proximity to the Scene to reasonably provide air ambulance transport services under the circumstances, FlightCom shall promptly notify COUNTY of such aircraft unavailability.

c. This Procedure applies only to scene flights requested by COUNTY.

d. This Procedure was developed by COUNTY and COUNTY confirms that this Procedure is in accordance with all applicable laws, regulations, rules and protocols.

3. PROMOTION OF AGREEMENT. COUNTY agrees to use reasonable efforts to educate personnel who have authority to request air medical transport services regarding the procedures contained in this Agreement.

4. RELATIONSHIP. The relationship of the parties is that of independent contractors. Nothing in this Agreement creates any kind of partnership, joint venture, or agency relationship. Neither party nor its employees, agents or subcontractors, if any, shall in any way be deemed to be employees, agents or subcontractors of the other party. Each party shall be solely responsible for the method and manner in which it and its respective employees carry out its duties under this Agreement, and neither party shall exercise any control or direction over the methods by which the other party and its respective employees perform their respective functions hereunder, except as may otherwise be provided in this Agreement.

5 .LIABILITY AND RESPOSIBILITY. Each party shall be responsible for its own acts and omissions and those of its officers, employees, agents, and representatives. Nothing in this Agreement shall be construed as an assumption of liability by either party for the acts or omissions of the other party. COUNTY retains all rights, immunities, defenses, and protections available under Tennessee law, including the Tennessee Governmental Tort Liability Act.

6. DISCLAIMER. EXCEPT FOR THE EXPRESS WARRANTIES IN THIS AGREEMENT, VANDERBILT LIFEFLIGHT DISCLAIMS ALL WARRANTIES, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE UNDER THIS AGREEMENT.

7. FORCE MAJEURE. Neither party shall be liable to the other for failure to perform its respective obligations under this Agreement if such failure results from causes beyond the non-

performing party's reasonable control and occurs despite the non-performing party's best efforts to avert such failure.

8. NO REFERRAL CONTINGENCY. The parties agree the benefits to each do not require, are not payment for, and are in no way contingent upon the admission, referral, or any other arrangement for the provision of any item or service offered by either party in any facility, controlled, managed, or operated by any party. Each party expressly acknowledges and agrees that it has been and continues to be its intent to comply fully with all federal, state, and local laws, rules, and regulations. It is not the purpose nor is it a requirement of this Agreement to offer or receive any remuneration or benefit of any nature or to solicit, require, induce, or encourage the referral of any patient, the payment for which may be made in whole or in part by Medicare, Medicaid or other payor. No payment made or received under this Agreement is in return for the referral of patients or in return for the purchasing, leasing, ordering, or arranging for or recommending the purchasing, leasing, or ordering of any goods, service, item, or product for which payment may be made in whole or in part under Medicare, Medicaid or other payor. No party shall make or receive any payment that would be prohibited under state or federal law.

9. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee, without regards to conflict of laws principles thereof.

10. NOTICE. Any notices given hereunder shall be deemed effectively given when personally delivered, when actually received by guaranteed overnight delivery service, or five (5) business days after being deposited in the United States mail, with postage prepaid thereon, sent certified or registered mail, return receipt requested, and in all such cases addressed as set forth above with attention to Vanderbilt LifeFlight Executive Director (with a copy to Legal Department) for Vanderbilt LifeFlight, and with attention to 911 Director for COUNTY.

11. MODIFICATION. In the event that any provision of this Agreement is determined unlawful or invalid under, or inconsistent with state or federal law, the parties agree to negotiate in good faith to reform this Agreement to eliminate the illegality, invalidity, or infeasibility, and to comply with such law.

12. ENTIRE AGREEMENT. This Agreement represents the entire agreement between the parties, and supersedes all prior and contemporaneous written and oral agreements, arrangements and understandings between the parties with respect to the subject matter of this Agreement. This Agreement may not be amended except in writing signed by both parties.

13. COUNTERPARTS. This Agreement may be executed in counterparts and delivered by fax, .pdf or other electronic means.

14. GOVERNMENTAL IMMUNITY. Nothing contained in this Agreement shall be construed as a waiver of any governmental immunity, defense, limitation of liability, or protection available to COUNTY under the Tennessee Governmental Tort Liability Act, Tenn. Code Ann. §29-20-101 et seq., or any other applicable law.

15. INSURANCE. Vanderbilt LifeFlight shall maintain commercially reasonable insurance coverage, including professional liability, general liability, and aviation liability coverage as

applicable to its operations. Upon reasonable request, Vanderbilt LifeFlight shall provide COUNTY with evidence of such insurance coverage.

16. NON-APPROPRIATION. COUNTY's obligations under this Agreement are contingent upon the availability and appropriation of funds. If sufficient funds are not appropriated or otherwise made available, COUNTY may terminate this Agreement without penalty upon written notice.

17. COMPLIANCE WITH LAW / NO WAIVER. Nothing in this Agreement shall require COUNTY to take any action contrary to applicable federal, state, or local law. Nothing herein shall be interpreted as waiving any statutory, constitutional, or common-law rights, defenses, or protections available to COUNTY.

IN WITNESS HEREOF, the parties, through their respective undersigned authorized officers, have duly executed this Agreement to be effective as of the Effective Date.

SUMNER COUNTY
Emergency Communications Center

Authorized: Michael Guthrie, Director

Administrative Directive

Directive #:	**ADM-013**
Issued:	**XX/XX/2026**
Revised:	**NEW**
Rescinds/Amends:	**NEW**

Subject: COUNTY BUILDING CLOSURE COMPENSATION POLICY

1.0 PURPOSE

1.1 The purpose of this policy is to establish clear guidelines for the compensation of the Sumner County Emergency Communications Center (SCECC) employees who are required to report to work or remain at work when county offices and buildings are officially closed due to inclement weather, emergencies, or by direct order of the County Mayor.

2.0 SCOPE

2.1 This policy applies to all personnel of the SCECC.

3.0 COMPENSATION GUIDELINES

3.1 Earning Reschedule Time: An employee whose position is considered FLSA non-exempt according to policy who is required to work during an official county building closure will be compensated with reschedule time for the exact number of hours of closure during the calendar day of their shift. Subsequently, the earned reschedule time for county building closures must be used within sixty (60) days of accrual, subject to staffing needs.

3.2 Overtime and Compensatory Time Exemption: The additional hours provided under this building closure policy will **not** contribute to the priming or accumulation of standard overtime hours or compensatory (comp) time.

3.3 Remote Work: Personnel not directly required to maintain floor operations on a daily basis (Director, Deputy Director, Managers, Training and Quality Assurance Supervisors, Administrative Assistant, and CAD Administrator) **may** be permitted to work remotely or required to respond to the SCECC at the discretion of the Deputy Director or Director. This will depend on staffing needs, availability of work that can be performed remotely, or other factors determined by the Deputy Director or Director. Those non-exempt employees who are required to work remotely or respond to the SCECC during a building closure will be compensated with reschedule time for the exact number of hours worked up to the number of hours of closure for that calendar day.

4.0 LEAVE AND TIME-OFF EXCLUSIONS

4.1 Scheduled and Unscheduled Leave: Employees who have previously scheduled leave (such as vacation, comp time, or sick leave) or who request unscheduled leave during any time of the official closure will not be eligible for County Building Closure Compensation. Employees in this status will have their time processed according to standard leave policies or standing directives and must use their accrued leave balances for the duration of their absence.

4.2 Regular Day Off (RDO): When a county building closure occurs on any part of an employee's scheduled regular day off, the employee will **not** be eligible for County Building Closure Compensation.

4.3 Not Eligible for Payout: Any reschedule time earned as a result of this policy is not eligible for payout during or at the conclusion of employment.

5.0 IMPLEMENTATION

5.1 Supervisors and SCECC personnel responsible for payroll are responsible for accurately tracking and reporting the hours worked by personnel during an official closure to ensure appropriate compensation is applied in accordance with these rules.

TENNESSEE CORRECTIONS INSTITUTE

REQUEST FOR APPLICATION

FOR

FY27 TRAINING EQUIPMENT GRANT

RFA # 31609- 0285

Project Period:
Released on: 6/22/2026
Intent to Apply : 08/31/2026
Completed Applications Due: 09/30/2026

Prepared by:
Tennessee Corrections Institute

Nashville, Tennessee 37214

draft

REQUEST FOR APPLICATION

TENNESSEE CORRECTIONS INSTITUTE

I. Introduction:

Description

The Tennessee Corrections Institute (TCI) provides training and training support for local jails and workhouses. This competitive grant helps eligible Type 1 Jails and Workhouses buy equipment specifically used to train corrections officers

TCI will award up to 56 grants with a base award of $12,500.00.The maximum amount of funding provided this year is $700,000 for all grants combined.

Program Purpose

The Purpose of the TCI Training Equipment Grant is to help Local Adult Correctional Facilities (LACFs) o:

- Improve the learning environment for correctional staff
- Support the delivery of classroom and hands-on trainingObtain needed equipment used to train staff working inside the jail**Please note this is *not* a general equipment grant for jail equipment. It is for *training* corrections officers and other staff who work in the jail.**

II. Allowable Items

Allowable expenses include, but are not limited to:

1. T**raining Hardware**,
   - Computers – laptop or desktop, (limited to 10 computers per grant) and related peripherals (mice, keyboard, monitors)
   - Tablet computers, (limited to 10 tablets per grant)
   - Cabling,
   - WIFI in classroom
2. **Software**
   - (Microsoft Office Suite or software used to create training content
     - Software requiring a subscription (including Articulate 360) may be reimbursed for a pre-paid 3 year subscription, subject to TCI approval.
     - All subscription software must be approved by TCI.

3. Audio- Visual Equipment:
     - Projectors,

- Screens,
- Televisions,
- Smart Boards,
- Video cameras for recording training,
- Sound Gear,
    - Microphones,
    - Speakers,
    - Headphones
- Related supplies, (projector replacement bulbs, etc.)
- Simulators – must include correctional based scenarios.

4. Training Room Furniture:

    - Tables,
    - Chairs,
    - Podiums/lecterns,
    - Carts,
    - Stands,
    - Other classroom style furniture
    - Whiteboards
    - Chalkboards

5. Training equipment and tools

    - CPR/1st Aid Training Equipment,
    - Demo weapons,
    - Defensive tactics protection gear, (e.g. “Redman” suit)
    - Mats and protective padding,
    - Shields for baton training
    - Training “dummies”,
    - Tasers for training, including taser batteries, and taser cartridges.
    - Handcuffs, leg irons, and waist chains in an amount appropriate for training
    - A limited number of radios (to be issued to correctional staff in training)

6. Training Gear:

    - Helmets,
    - Gloves,
    - Eye protection,
    - Hearing protection,
    - Masks,
    - Other items that will specifically be used in a training environment.

7. Training Supplies and Office Supplies for Training Staff, including, but not limited to:

    - Copy paper (limited to one pack of 500 sheets per corrections officer)
    - Legal/steno pads,

- Pens,
- Pencils,
- Toner/ink,
- Easel pads and easels,
- Markers for easel pads and whiteboards
- Highlighters
- Sticky Notes
- Shop rags
- 3-ring binders
- Spiral bound notebooks or similar
- Thumb drives/flash drives (no more than two thumb drives per Corrections Officer)
- Cleaner or disinfectant for mats, desks, or training environment.

8. Training Instructional Materials related to jails/workhouses and related security:

- DVDs
- Books
- Workbooks
- Online videos

9. Training Room Improvements

Only light remodeling and functional upgrades allowed

- Carpet, tile, paint, doors, windows, lighting
- Minor HVAC improvements
- Equipment needed to prepare a space for training

10. Specialized Training Items

- Weight room equipment for staff[1]
- Ammunition for firearms training (only for agencies that certify correctional/transport officers)
- Cleaning supplies for training equipment
- BOLA wrap and pepperball training equipment
- Shipping and Handling
- Mental Health training and CIT training (if not made available through TCI scheduled training)
- Other items not specifically listed here may be requested in the application if it can be correlated to training correctional officers and staff. TCI may or may not approve the items.

[1] Beginning in FY27, weight room equipment may be approved not only when tied to a formal physical fitness policy, but also when the agency demonstrates a clear connection to officer well-being. This includes support for physical health, stress reduction, and mental wellness initiatives aimed at improving the overall resilience and performance of correctional staff. Agencies are encouraged to describe how the proposed equipment will contribute to staff wellness and retention, even in the absence of a formal fitness policy.

Other items may be considered if they clearly support officer training. TCI will make final decisions on all requests.

Important Item Rules

- Equipment amounts must match the number of staff being trained
- Over-purchasing or stockpiling is not allowed
- Custom or specialty items require justification
- Branding, engraving, or upgrades must be paid with non-grant funds.
- Agencies missing FY26 end-of-year reports are not eligible until those reports are submitted.
- TCI reserves the right to make final approval on all grant related items.

UNALLOWABLE EXPENSES:

1. No travel or related expenses
    - No conference fees
2. No uniforms
    - No hats/caps
    - No boots
    - No shoes
    - No patches
    - No stickers
    - No vests
3. No lethal force firearms
4. No vehicles
5. No kitchen equipment
6. No coffee makers, microwaves, or other “break room” equipment.
7. No excessive amounts of materials or stockpiling (example: agency with 25 employees would not be allowed to purchase thousands of pepper balls or OC spray).
8. Items not in the **final approved and executed contract.**
9. No “swag” or promotional giveaway items.
10. No food or drinks.
11. No cash or gift cards allowed.
12. No “signs” – electronic or metal

NO CHANGE TO APPROVED ITEMS WITHOUT APPROVAL

You must get **written approval** from TCI before making any budget changes. If an items is not listed in your contract, it will not be reimbursed.

Failure to Report

Agencies that participated in the FY26 Training Equipment Grant and that **failed** to submit an End of Year Report prior to July 17, 2026, deadline shall be disqualified

from obtaining a grant in FY27 unless the agency provides the following documentation by August 14, 2026:

1. The missing information
2. A letter signed by the Sheriff explaining the agency's corrective action plan for ensuring such oversights do not occur in the future.

Agencies that must comply with this additional application requirement will be notified after receipt of the intent to apply webform.

Recommendations for Consideration

The following advice is provided to aid agencies in their budget and scope preparations. It comes from lessons learned previously and is shared with agencies to ensure they do not run into a conflict.

1. Include accessories like keyboards, mice, speakers, and covers.
2. Include estimated shipping costs in your budget.
3. Use general descriptions ("50-inch monitor or similar")
4. Ask TCI before making any changes
5. Clearly explain and justify how the equipment improves officers training.

Intent to Apply

Applicants should complete the Intent to Apply by August 31, 2026.

Completion of the Intent to Apply form creates no obligation but is a prerequisite for applying and necessary to ensure receipt of any Grant Solicitation updates or other notices and communications relating to this Grant Solicitation. The Intent to Apply and all documents must reference the Grant Solicitation Title "FY27 Training Equipment Grant".

Reimbursement Only

This grant is reimbursement only. No advanced payment will be made. Agencies must submit an invoice to TCI to be reimbursed for expenses paid.

Application Deadline

An Applicant must ensure that the State receives an application no later than the application deadline time and date detailed in Section III, Schedule of Events. An Applicant must apply, as required, to this Grant Solicitation (including all attachments). The State will not accept late applications, and an Applicant's failure to submit its application by the deadline will result in disqualification of the application.

The State is seeking applications to provide the services outlined in this RFA. The State will offer up to 56 grant(s) for a total of ***$700,000.00***. The project period is expected to

begin December 1, 2026, and will last for 5 months. At this time, no additional funding is expected beyond the 5-month project period.

Pre-Application Training:

An optional pre-application training class will be hosted by Tennessee Corrections Institute on **08/21/2026**. The purpose of the class is to assist agencies with their TCI grant application, covering frequently asked questions, dealing with friction points and ensuring agencies do not have expenses denied due to technicalities related to a misunderstanding of the grant's requirements. Attendance is optional unless the agency has had a finding in previous TCI grants. Agencies that need to send a representative to this online training will be notified after the intent to apply is received.

Training class link:

III. APPLICATIONS:

To respond to this Request for Application, please complete the **Scope of Services, Budget, and Department of Revenue registration or Exemption Letter.** See also IRS Form W9 and the State of Tennessee, Department of Finance and Administration ACH (Automated Clearing House) Credits and Instructions for completion (if not already registered with the State in Edison). The **Application** contains detailed questions about your organization's background and the specifics of your proposed project.

Attachment 2 is the Grant Budget. This section shall contain all information relating to cost, based on a line-item budget. Complete the Grant Budget form and the attached Line-Item Details form. A description of how dollars will be used must be provided for each line item completed with a superscript 2 on the end, as applicable for the Budget form.

Note: Please use the Department of Finance and Administration – Policy 03 Schedule A, (please refer to pages 11-16 of that policy) for your use in determining which expense category an item should be listed in your grant budget. This policy can be found on the internet at the address listed below:

https://www.tn.gov/content/dam/tn/finance/documents/fa_policies/policy3.pdf

The following is the anticipated schedule for awarding grants for the FY27 Training Equipment Grant. The State reserves the right to adjust the schedule as it deems necessary.

Grant Deadlines and Due Dates

More info

Any applicant desiring to submit an application in response to this RFA is encouraged to have at least one (1) representative on the teleconference, however attendance is **not** mandatory. If you cannot participate, please direct your questions by the scheduled deadline as indicated above, to TCI.Operations@tn.gov.

Questions and Answers:

All questions concerning this RFA must be presented via email as shown in Section IV., on or before the Deadline for Written Questions and Comments as detailed above in the Schedule of Events. Questions may be emailed to TCI.Operations@tn.gov. The State's responses will be emailed and posted as Frequently Asked Questions to the following website: TCI Grants/RFI/RFP (tn.gov)

Deadlines stated above are critical. If documents are submitted late, they will be deemed to be late and cannot be accepted. The clock-in time will be determined by the time of application email sent to TCI.Operations@tn.gov. No other clock or watch will have any bearing on the time of application receipt.

Each applicant shall assume the risk of the method of dispatching any communication or application to the State. The State assumes no responsibility for delays or delivery failures resulting from the method of dispatch.

IV. Submission of APPLICATIONS:

Please submit the completed application with all attachments by no later than the deadline specified in Section III, Schedule of Events in the form and detail specified in this RFA.

Prospective Applicants must direct communications concerning this Request for Applications to TCI.Operations@tn.gov and indicate TCI Training Equipment Grant in the subject line.

Please email completed Application/Scope of Service, Budget, and Department of Revenue Sales Tax Exemption Letter to TCI.Operations@tn.gov by the deadline.

Checklist for Submission of Applications:

- ☐ **Intent to Apply** completed and submitted online no later than 08/31/2026
- ☐ Application/Scope of Services **(Attachment 1)**
- ☐ Budget (**Attachment 2**)
- ☐ Department of Revenue Sales Tax Exemption Letter SUT-83 - Government Contractors – Tennessee Department of Revenue (tn.gov)

V. Application Evaluation:

An evaluation committee made up of at least three (3) representatives not directly involved in the grants will review and score all eligible applications. The committee will evaluate applications based on the information required in this RFA. Applications must be complete, accurate, and consistent with all grant requirements.

a. Application Criteria

Applications will be reviewed to determine:

- Whether the agency meets eligibility requirements (Type 1, certification status)
- Whether the equipment requested is allowable and clearly identified
- Whether the agency provides sufficient justification for the request
- Whether the budget is accurate and reasonable
- Whether the agency confirms all purchases will be made and received by April 30, 2027
- Whether the equipment will benefit jail-based staff
- Whether FY26 reporting requirements were met (if applicable)

b. Evaluation Process

The evaluation committee may requires clarifications from applicants. Applications that are incomplete or contain significant inconsistencies may be rejected. The State reserves the right to waive minor variances or reject any or all applications.

c. Scoring Rubric

Each eligible application will be scored according to the following rubric. A maximum of 100 points may be awarded:

Type 1 Facility Status (Eligibility Only)

• Yes = Eligible
• No = Ineligible (application not scored further)

Current TCI Certification
• Yes = 10 points
• No = 0 points
Score: _____

Accreditation Status
• Tier 2 = 15 points
• Tier 1 = 10 points
• None = 0 points
Score: _____

Application Narrative (Scope + Justification)
• Excellent detail and strong justification = 20 points
• Good = 16 points
• Adequate = 12 points
• Limited = 8 points
• Minimal = 4 points
• Incomplete = 0 points
Score: _____

Timeline Feasibility
Purchases must be made and received within the established grant period.
• Feasible = 5 points
• Not feasible = 0 points
Score: _____

Budget Quality
• Accurate, itemized, realistic, justified = 10 points
• Minor issues = 7 points
• Notable gaps = 4 points
• Inaccurate or unclear = 0 points
Score: _____

Training Impact
• Strong, direct impact = 20 points
• Moderate impact = 14 points
• Limited impact = 7 points
• No impact = 0 points
Score: _____

Past Grant Performance
- Excellent = 10 points
- Good = 7 points
- Fair = 4 points
- Poor = 0 points

Score: _____

County Classification Bonus
- Distressed = 10 points
- At-Risk = 7 points
- Large county (more than 100 correctional officers) = 5 points
- None = 0 points

Score: _____

TOTAL SCORE (up to 100 points): _____

VI. Sample Grant Contract:

Following the State's evaluation, grant contracts will be prepared as shown in the **Sample Grant Contract**.

It is imperative that each applicant review the entire Sample Contract with their legal counsel prior to submitting an application for a FY27 Training Equipment grant award and notify the State *in advance* if it cannot accept any terms or conditions. Please submit any exceptions to contract language with the Application for FY27 Training Equipment grant. **Taking any exceptions to State contract language may result in the Application being deemed non-responsive and rejected. Any later requests for contract changes will not be considered.**

GRANT CONTRACT: Email TCI.Operations@tn.gov for sample grant contract. Put "Sample Contract Request" in subject line.
